## Matthew 4: 1-11 Jesus Is Tested in the Wilderness

4 Then Jesus was led by the Spirit into the wilderness to be tempted by the devil. 2 After fasting forty days and forty nights, he was hungry. 3 The tempter came to him and said, "If you are the Son of God, tell these stones to become bread." 4 Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God.'" 5 Then the devil took him to the holy city and had him stand on the highest point of the temple. 6 "If you are the Son of God," he said, "throw yourself down. For it is written:

"He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone." 7 Jesus answered him, "It is also written: 'Do not put the Lord your God to the test.'" 8 Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. 9 "All this I will give you," he said, "if you will bow down and worship me."

10 Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'" 11 Then the devil left him, and angels came and attended him.

## Message from Mr Catlow

### Welcome Back

It has been a real pleasure to welcome our pupils back into school. There is a wonderful sense of purpose around the building, and it has been lovely to see classrooms quickly return to being busy, focused and full of energy. Thank you, as always, for your continued support.

### The Season of Lent

We are now in the season of Lent — a significant time in the Christian calendar. Lent invites us to pause, reflect and consider how we can grow: in kindness, in service to others and in the way we live out our values each day. In school, we will be encouraging students to think about small acts of generosity, self-discipline and compassion, and how these habits help shape not only who we are, but who we are becoming. It is a special time in the life of our school community.

### The Importance of Punctuality

A gentle reminder of the importance of pupils arriving at school on time each day. The start of the school day sets the tone for learning; being punctual ensures that students are calm, prepared and ready to engage from the very first moment. Even a few minutes late can mean missing vital instructions and valuable learning time. Thank you for working with us to ensure your child arrives promptly and ready to learn.

### Staffing Update

I am delighted to share that we have appointed a new Assistant Headteacher, Mrs Smith, who will join us in September. Mrs Smith will lead on Attendance, Behaviour and Personal Development across Key Stage 3. She brings a wealth of experience, having undertaken similar roles across a number of schools in Lancashire. We very much look forward to welcoming her to our community and to the expertise and leadership she will bring to this important area of school life.

### New Year 7 Offers

On Monday, families across the area will receive offers of secondary school places. We very much look forward to welcoming those who are being offered a place with us in September.

If you know families who are due to receive an offer from our school and who may have questions or would value further reassurance, please do encourage them to get in touch. We are always very happy to arrange a tour of the school or a conversation with me or a member of the Senior Leadership Team. Choosing the right school is an important decision, and we want families to feel fully informed, confident and excited about joining our community.

Thank you for your continued trust and support

### Pupil Council – Stationery Shop Back in Business!

It is very important that pupils bring the correct equipment to school each day because it helps them to be ready to learn. When students have all the items they need, this means they can take part in lessons straight away, without wasting time.

Having the right equipment also helps pupils stay organised and responsible. It shows they are prepared and serious about their learning. If students do not have the correct materials, they may fall behind, miss important information, or rely too much on others.

Being properly equipped each day helps create a positive learning environment where everyone can focus and do their best. As we approach exam season, this is especially important.

Our Pupil Council is committed to supporting pupils with this and will be selling core equipment during lunch times in the coming weeks. This is a completely non-profit initiative, purely designed to support pupils. All items, therefore, are priced at cost value.

With exams season fast approaching, we will open the shop EVERY DAY (apart from Thursday) next week. Pupils can find us at the top of the canteen.

Items for sale include :

Black Pens 10p	Green Pens 10p	Purple Pens 10p
Highlighters 50p	Pencils 10p	30cm Rulers 50p

## THE BIG PNE SLEEP OUT 2026

This year, Archbishop Temple Church of England High School's year 11 pupils are supporting The Foxtan Centre as their designated charity. The Foxtan Centre, based in Preston, boasts a rich history and a profound commitment to serving the local community, encompassing both adults and young people.

# Foxtan

In support of year 11's fundraising, Miss Porter, Miss Shaw, Mrs Banner, Miss Stansfield and Chaplain Jo are gearing up to participate in THE BIG PNE SLEEP OUT 2026, sleeping at Deepdale stadium on Friday 27th March.

Year 11 invite support from our local community, businesses, families, and friends to raise as much as possible. Should you wish to sponsor our staff kindly follow the link provided below to visit our JustGiving page, where contributions can be made online. Additionally, donations can also be made in person at the school. Your generosity and support will make a meaningful difference in our mission to assist The Foxtan Centre in their invaluable work within our community.

## Pupil Achievement OUTSIDE school

What did you do during half term? We are really proud of so many of our pupils for getting involved in many activities and achieving so much outside school. A great example of this is Max in Year 10. During half term, Max went on a flying lesson with Preston Air Cadets to RAF Leeming. He performed aerobatics and manoeuvring. Amazing, well done Max!!!
