Purpose

Archbishop Temple Church of England High School seeks to care for young people and prepare them well for adulthood, valuing the whole person.

Mission

Through our faith in God, Father, Son and Holy Spirit, we strive to nurture each person's ability, gifts and talents so that they can 'have life and have it to the full' (John 10:10) and use it in the service of God and other people.

RATIONALE

At Archbishop Temple Church of England High School, we endeavour to recognise, develop and maximise the intellectual, moral, social, physical, aesthetic and spiritual potential of all involved with the school. We educate all pupils in accordance with the requirements of the National Curriculum, whilst preparing pupils for the world of work, and for life in the community beyond school. As such, Archbishop Temple Church of England High School fully recognises its responsibilities for external examinations and assessments and, therefore, aims to ensure that the planning and management of these assessments are conducted efficiently and in the best interests of the candidates, and that there are clear guidelines for all relevant staff.

It is the responsibility of all staff involved in Archbishop Temple Church of England High School's examination and assessment process to read, understand and implement this policy.

This examinations policy will be reviewed annually by the DHT i/c Examinations and Assessments and Exams Officer.

GUIDELINES

The statutory tests and qualifications offered at Archbishop Temple Church of England High School are decided by the Senior Leadership Team in consultation with the governing body.

Qualifications currently routinely offered are GCSE and Level 1 / 2 Cambridge National Awards.

The subjects offered for these qualifications in any academic year may be found in the school prospectus for that year. If there has been a change of syllabus from the previous year, the examinations office must be informed as soon as possible.

Alternative certified courses may be offered to individual pupils as part of a personalised curriculum.

Decisions on whether a candidate should study towards a qualification will be taken in consultation with the candidate, parents/carers and the SLT, in consultation with the SENDCo, subject teachers, Heads of Year and Curriculum Leaders as appropriate.

At key stage 4, all candidates will be entitled, and enabled, to achieve an entry for appropriate qualifications from an external awarding body.

Internal Governance Arrangements

The Head Teacher undertakes the role of Head of Centre for each awarding body.

The Head Teacher delegates oversight of examinations to the Deputy Headteacher with responsibility for examinations. The Deputy Headteacher provides support and guidance to the examinations officer and ensures that the integrity and security of examinations and assessments is maintained throughout the academic year.

In the event of absence of the Examinations Officer the Deputy Headteacher with responsibility for examinations will undertake the duties of the Examinations Officer until the return or replacement of the Examinations Officer.

In the event of absence of the Deputy Headteacher with responsibility for examinations, the Headteacher will take on responsibility for the oversight of examinations until the return or replacement of the Deputy Headteacher with responsibility for examinations.

Examination seasons

Internal assessments for pupils in year 9 are scheduled in February and year 10 in April/May. Internal practice GCSE examinations for year 11 candidates are scheduled in December.

External examinations are scheduled in May/June for all candidates in all qualifications. For vocational qualifications, external assessments may be undertaken in November, January/February or June.

Curriculum Leaders select the appropriate examination season, course components/ elements for their subject and the tier of entry for each candidate.

Timetables

Once entries are confirmed, the Exams Officer will circulate the examination timetables for internal and external examinations.

Timetables will be publicised on the school website, sent to parents via School Post, to school staff by email and to pupils via Firefly.

Entries

Candidates are selected for their examination entries and tiers of entry by the Curriculum Leaders.

Entry/registration for Cambridge National Award courses is completed prior to the publicised deadline for the examination season in which the externally assessed component is to be undertaken.

Entry for all other examinations is undertaken by the deadline in February of year 11.

Prior to the final submission of registrations and/or entries, the Examinations Officer will distribute provisional registration/entry lists to Curriculum Leaders, who will undertake a final check of accuracy and sign to approve the registrations/entries.

Candidates, or parents/carers, may submit a request for a subject entry, change of level or withdrawal. If this request is upheld by the Curriculum Leader, the fees for the change of tier of entry /amendment must be paid by the parent/carer.

Curriculum Leaders will consider and decide upon the outcome of the requests made. The fees for the change of tier of entry /amendment initiated by the teacher must be paid by the subject making the request.

Curriculum Leaders are responsible for informing the Exams Officer of withdrawals, transfers or changes to learner details. The Examinations Officer will then inform the relevant awarding body of these changes.

The centre does not accept entries from external candidates.

The Exams Officer will inform the awarding bodies, before the published deadline for entries for each examination season, of any members of centre staff for whom there is a conflict of interest. This may include but is not limited to:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units;
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units; **and**

maintains clear records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres;
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units;
- centre staff are taking qualifications at other centres.

The head of centre **must** ensure that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected. The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records **must** be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

Entry deadlines are circulated to Curriculum Leaders by either internal post, email or at meetings with the Exams Officer.

Late entries are authorised by the Curriculum Leaders, the Exams Officer and senior leadership team.

The additional fees for the late entry /amendment must be paid by the subject/department making the request.

Archbishop Temple Church of England High School does not enter private candidates for assessments and examinations.

Examination Fees

All normal examination entry fees will be paid from the examinations budget.

Any additional charges incurred in relation to late entries or amendments will be paid from the relevant department budget.

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies.

Candidates who do not sit any examination for which they have been entered and the school is not satisfied with the reason for non-attendance will be charged for all costs incurred.

If a department feels that a candidate would benefit from re-sitting a component to try and improve their grade, the subject/department must pay the cost. Where there is need for a further subsequent re-sit of a component, the candidate or his/her parents/carers will be charged for all costs incurred.

Where a candidate requires additional access arrangements or reasonable adjustments for the purposes of an examination, these additional costs will be met by the school.

Estimated grades

The Curriculum Leaders will submit estimated grades to the Exams Officer when requested by the Exams Officer.

The Equality Act 2010

The Equality Act 2010 extends to general qualifications. All staff at Archbishop Temple Church of England High School must ensure that the school's duties towards disabled candidates, including access arrangements and special consideration for examinations and assessments, are compliant with all aspects of the Equality Act 2010, particularly Section 20 (7).

Special Educational Needs

A candidate's special educational needs requirements are determined by the SENDCo, a qualified state registered medical professional or educational psychologist.

The SENDCo will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an examination, and the date of that examination.

The SENDCo will inform individual staff of any special arrangements that individual candidates can be granted during the course, non-examined assessments and in the examination.

Access arrangements

All arrangements must be provided to a candidate at the time of his/her examinations in adherence to sections 13 and 14 of [JCQ Instructions for Conducting Examinations](#).

Identifying need of and making provision for special arrangements for candidates to take examinations is the responsibility of the SENDCo, and is undertaken in accordance with the JCQ Access Arrangements and Reasonable Adjustments publication. Evidence of need must be held by the SENDCo and made available to awarding bodies on request.

The SENDCo must produce a short concise file note on centre headed paper, signed and dated, confirming the nature of the candidate's impairment and that the special provision reflects his/her normal and current way of working.

The special provision sought must be the pupil's normal way of working and evidenced in the pupil's EHC or IEP. Evidence includes, but is not limited to comments from teaching staff of the need for and impact of special provision; samples of previous work undertaken under such provision, and, where appropriate, reports from medical professionals/HCP registered psychologists/specialist diagnostic assessor. This evidence is required before an application to awarding bodies is made.

SENDCos must consider the need for access arrangements on a subject-by-subject basis.

All access arrangement documentation must be held in both digital and paper format.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the SENDCo.

The SENDCo must work with teaching staff and the Exams Officer to identify the most appropriate published format of modified papers ([see Chapter 6 of Access Arrangements online](#)) which will enable the candidate(s) to access their examinations.

Identification of an appropriate venue(s) for candidates with additional access arrangements will be undertaken by the SENDCo in consultation with the Exams Officer.

Invigilation and support for candidates with additional access arrangement will be organised by the SENDCo alongside the Exams Officer.

For supervised rest breaks the SENDCo must produce a short concise file note on centre headed paper, signed and dated, confirming the need for supervised rest breaks to a JCQ Centre Inspector upon request. This must confirm the nature of the candidate's impairment and that supervised rest breaks reflect his/her normal way of working within the centre.

The Exams Officer will provide the appropriate memory aid and/or cover sheet prior to the examination commencing to facilitate recording an accurate reflection of the activities performed by a communication professional, language modifier, practical assistant or scribe.

Use of word processors on computers, laptops and tablets

The provision of appropriate digital devices to a candidate at the time of his/her examinations must adhere to the rules and regulations stipulated in section 14 of [JCQ Instructions for Conducting Examinations](#).

The procedures and arrangements for identifying the need and making provision for the use of computers, laptops and tablets are the same as all other special provision. In addition to the previous points, the following must be adhered to.

Candidates may use a computer, laptop or tablet where it is their normal way of working, the candidate's quality of language significantly improves as a result of using a word processor or the candidate is suffering from a medical condition, unless an awarding body's specification says otherwise. ([JCQ Access Arrangements and Reasonable Adjustments](#) section 5.8). Additional details regarding the identification, provision and review of pupils' needs is detailed in the SEND Use of a Word Processor Policy.

The use of word processors in non-examination assessment components will be considered standard practice unless prohibited by the specification.

It is permissible for a candidate using a word processor in an examination to type certain questions, i.e. those requiring extended writing, and handwrite shorter answers.

Candidates using word processors are accommodated, where possible, in the Drama Studio, which has its own exam printer and the invigilator will undertake supervision of checking the format, labelling and printing of candidates' work (as detailed below).

Where there are several candidates, they will be seated such that it is not possible for a candidate to view the screen of another.

If candidates are not seated in the Drama Studio, an ICT technician will be available to assist with the printing of scripts at the end of the exam. Students will remain present to handover their script to the Lead Invigilator to send off to the exam board with the rest of the cohorts' completed papers.

A JCQ Form 4 will be given to the invigilator at the beginning of each exam for each student using a word processor or will be in the examination box along with the exam paper.

The battery capacity of a laptop or a tablet must be fully charged and checked before the candidate's examination(s). The Exams Officer must ensure that the battery is sufficiently charged for the entire duration of the examination so that the machine can be used as a 'stand-alone unit'.

The spelling and grammar check facility/predictive text must be disabled or switched off.

Candidates must use 12-point font and double-space the lines of their work.

Each page of the typed script must be numbered: e.g. 1 of 4.

Invigilators must remind candidates to save their work at regular intervals.

Candidates must be reminded to ensure that their centre number, candidate number and the unit/component code appear on each page, ideally as a header or footer. The normal software used is ExamWritePad. If using Notepad, or WordPad, when the candidate has completed the examination and printed off his/her typed script, he/she must handwrite their details as a header or footer. The candidate must be supervised to ensure that he/she is solely performing this task and not re-reading their answers or amending their work in any way.

Contingency Planning

In the event of a serious incident, Archbishop Temple Church of England High School will follow the Ofqual guidance [*What schools and colleges and other centres should do if exams or other assessments are seriously disrupted*](#) .

Contingency planning for exams administration is the responsibility of the Exams Officer. See the Examination and Assessments Contingency Plan.

Accommodation

The Exams Officer will identify and book appropriate venues for all examinations after liaison with other users. Accommodation for candidates with additional access arrangement will be organised by the SENDCo alongside the exams officer.

This will be done with consideration for teaching and learning and the Exams Officer will aim to minimise the impact of examinations on the delivery of the curriculum, whilst recognising the feasibility of setting up and removing examination furniture.

The Exams Officer, with support from site supervisors, IT manager, and invigilators, will ensure that the examination environment; the layout of examination furniture; computer work station screens; guidance, warnings and notices to candidates in the examination venues, and other appropriate resources meet the requirements stipulated by the JCQ.

In the very rare event that a candidate is required to sit an examination(s) at an alternative venue, e.g. a hospital, the Exams Officer will notify the JCQ Centre Inspection Service by submitting the JCQ Alternative Site form online, using the Centre Admin Portal (CAP), no later than six weeks before the start of the examination series and ensure appropriate integrity of the exam process as detailed in section 11 of the [*JCQ Instructions for Conducting Examinations*](#).

Invigilation

External invigilators will be used for internal and external key stage 4 examinations.

The recruitment of invigilators is the responsibility of the Exams Officer.

Securing the necessary DBS clearance for new invigilators is the responsibility of the business manager.

DBS fees for securing such clearance are paid by the school.

Invigilators are trained, timetabled and briefed by the Exams Officer in accordance with section 12 of the JCQ guidance. Centres must ensure that the testing of invigilators' competence and their understanding of these regulations is rigorous. This must also extend to those facilitating an access arrangement.

Invigilators are made aware of the school's safeguarding procedures by the Exams Officer.

Invigilators' rates of pay are set by the Headteacher with approval by the governors.

Examination materials

A JCQ Exam Materials Receipt Log - at the point of delivery to the centre is kept in reception to record the delivery of confidential materials by awarding bodies to school. Materials are moved immediately, in their despatch packaging, to the secure storage. The Exams Officer removes confidential exam materials from the despatch packaging, checks, and then immediately locks away in the secure storage facility. This process is recorded on a further JCQ Exam Materials Receipt Log – Exams Officer.

In order to avoid potential breaches of security, care must be taken to ensure that the correct question paper packets are opened. A member of centre staff, additional to the person removing the question paper packets from secure storage, e.g. an invigilator, must check the day, date, time, subject, unit/component and tier of entry, if appropriate, immediately before a question paper packet is opened. This check must be recorded. The JCQ has produced a template for centres to use. This can be found at: <https://www.jcq.org.uk/exams-office/ice---instructions-for-conducting->

examinations/ If it is subsequently identified following the second pair of eyes check that the wrong question paper packet has been opened, it must be resealed. The incident must be reported to the relevant awarding body's Malpractice Investigation Team immediately

The Exams Officer retains these logs until after deadline for EARs or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

Only live examination materials are held in the secure exams store.

Exams Officer retains examination records and stationery until after the deadline for EARs or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

At the end of the exam season, any surplus stationery will be confidentially destroyed.

Examination days

Examinations will be conducted (before, during and after the examination) in full accordance with sections 16 to 27 of the [JCQ Instructions for Conducting Examinations](#).

The Exams Officer will make available for the invigilators the question papers, other examination stationery and resources.

An additional member staff must check the day, date, time, subject, unit/component and tier of entry, if appropriate, immediately before a question paper packet is opened. See Examination materials section.

Unless the question papers being removed are required for an alternative site (see paragraph 11.3 of [JCQ Instructions for Conduction Examinations](#)), they must not leave the secure room any earlier than 60 minutes prior to the awarding body's published starting time for the examination. Where necessary, for the organisation of additional assessment rooms or the modifying of scripts (size/colour) the question paper packet must be opened no more than 60 minutes before the awarding body's published start time in the secure room and not in the examination room. The question paper packet must be re-sealed and placed back into the centre's secure storage facility. The question papers extracted from the packet must be taken to the allocated room in a sealed envelope. An invigilator must be present in the room at all times. Question papers must not be left unattended.

Where a candidate requires a question paper on coloured paper and/or enlarged, a non-interactive PDF question paper will be ordered via Access arrangements online or – for AQA and Pearson qualifications – downloaded from the awarding organisations secure extranet no more than 60 minutes before the start time.

The Exams Officer, DHT i/c Examinations, lead invigilator or, in the case of those with additional access arrangements, the supervising invigilator will start all examinations in accordance with JCQ guidelines invigilators' announcement. the Archbishop Temple Church of England High School examination prayer.

Senior members of centre staff approved by the head of centre, who have not taught the subject being examined, may be present at the start of the examination(s).

Senior members of centre staff must not provide advice and guidance on the examination. They must not comment on the question paper or give advice on which sections of the paper and which questions should be attempted.

In practical examinations and assessments subject teachers may be on hand to advise in the event of any technical difficulties.

Any authorised food or drink brought into the examination room whether by the candidate or the centre must be free from packaging and all labels removed from drink containers.

Examination papers must not be removed from the examination venue before the end of a session.

Question papers must not be released to centre personnel until after the awarding body's published finishing time for the examination or, in the case of a timetable variation, until all candidates within the centre have completed the examination.

All unused stationery must be collected and checked by invigilators and returned to the Exams Officer at the end of the exam season any surplus stationery will be confidentially destroyed.

Candidates

Archbishop Temple Church of England High School's published rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times.

All candidates must be present to commence the examination at the published time and enter the venue at the designated entrance so that they are made aware of the expectations of their conduct during the examination in accordance with JCQ.

Candidates' personal belongings remain their own responsibility and School accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines. They may be removed from the examination venue and, where appropriate, guidance as detailed in the [JCQ Suspected Malpractice Policies and Procedures](#) will be followed.

Candidates may leave the examination room for a genuine purpose requiring an immediate return to the examination venue, in which case an invigilator must accompany them.

Invigilators must be vigilant and remain aware of incidents or emerging situations, looking out for malpractice or candidates who may be feeling unwell or require a toilet break. Such incidents are recorded on an incident log by the lead invigilator.

Candidates are entirely responsible for bringing to the examination all equipment required to complete the paper, with the exception of tracing paper where this is allowed in the examination.

Candidates arriving late

A candidate who arrives no more than one hour after the scheduled start of the examination will be allowed to sit the examination; however, the candidate may be required to do so in a different room to that originally allocated. In this case, the candidate will be allowed the full time for the examination.

If they arrive after the awarding body's published finishing time for the examination, the candidate will be warned that the awarding body may not accept their script.

The Exams Officer will complete the necessary paperwork as detailed in the JCQ Instructions for Conducting Examinations.

Absent candidates

The Exams Officer with the assistance of the Attendance Officer/appropriate office staff, will attempt to contact any candidate who is not present at the start of an examination.

School will make every effort to support the candidate in getting to school: centre staff may go to the candidate's address to collect them, or pay for a taxi if the candidate is unable to do so themselves.

In cases where the candidate is able to arrive at school, albeit later than the scheduled start time of the examination, the candidate will be able to sit the examination in accordance with the procedures for candidates arriving late stated on page 44 of the JCQ Instructions for Conducting Examinations.

Candidates with a clash of examinations

The Exams Officer will arrange appropriate supervision, in accordance with the published JCQ instructions, and a secure venue to hold candidates in the event of a clash of scheduling on the examination timetable. When necessary, the Exams Officer will arrange overnight supervision of candidates.

Special consideration

If a candidate becomes ill before an examination, bereavement, or other trauma, or if a candidate becomes ill or otherwise disadvantaged during an exam, they are responsible for alerting the exams officer to that effect. The candidate must support any special consideration claim with appropriate evidence within 7 days of the exam. The exams officer will make a special consideration application to the relevant awarding body once satisfactory evidence has been received.

Non-Examined Assessment

Roles and responsibilities of relevant individuals are stated in the Archbishop Temple Church of England High School Non-Examined Assessment Policy documents.

Candidates who have to prepare non-examined assessment should do so by the deadline issued by the Curriculum Leaders.

Curriculum Leaders will ensure all non-examined assessment is ready for despatch at the time designated by the awarding body.

The Exams Officer will keep a record of documents sent, when and to whom.

Marks for all internally assessed work and estimated grades are provided to the examination's office by the Curriculum Leaders.

Appeals against internal assessments

Details of the appeals process are to be found in the Archbishop Temple Church of England High School Internal Appeals Policy and Procedure.

Results

Candidates will personally receive an individual Candidate Statement of Results on publicised results days or by post to their home address, if candidates have provided a stamped, self-addressed envelope.

In the event that a candidate wishes for their results to be collected by another named individual, they are to arrange this in person with the Exams Officer and provide a hand written and signed statement of consent.

Arrangements for the school to be open on results days are made by the Headteacher.

The provision of staff on results days is the responsibility of the Headteacher.

Enquiries About Results (EARs)

EARs may be requested by Curriculum Leaders, if there are reasonable grounds for believing there has been an error in marking or interpretation of a markscheme. In this event, the review of marking will be undertaken at the centre's expense.

If a candidate's score lies very close to a grade boundary, and the curriculum leader believes a review of marking may be beneficial to the pupil, the Exams Officer will notify the candidate. If the candidate wishes to pursue a review of marking, they will be asked to pay the fee incurred.

If a result is queried by a candidate with his parent's/carer's consent, the Exams Officer, subject specialist and DHT i/c Examinations will investigate the feasibility of asking for a review of marking; however, the candidate will be liable for the cost incurred.

Certification and Access to Scripts

Within three days of the release of results, candidates may ask subject staff to request the return of papers through the Access to Scripts process.

Curriculum Leaders may also request scripts for investigation or for teaching, standardisation and professional development purposes. For the latter, the consent of candidates must be obtained. Any cost of such a script request is to be met by the department budget.

GCSE review of marking cannot be applied for once a script has been returned.

In the rare event that a learner has not completed all components of a qualification, the relevant curriculum leader may request that the Examinations Officer make a certification claim for the units that have been completed.

The Examinations Officer must undertake an audit of the certificates received from awarding bodies to ensure accuracy and completeness.

Certificates are presented to candidates in person at publicised awards ceremonies or collected at any subsequent time from school and signed for.

Certificates may be collected on behalf of a candidate by a named third party, provided they have been authorised to do so.

Individual candidates are to apply directly to the relevant examination boards to request replacement certificates; the candidate must pay the costs incurred.

The centre retains unclaimed certificates for five years in the school's archive. After this time, these certificates are confidentially destroyed. The Exams Officer will keep a record of destroyed certificates.
