

## WELCOME TO REDROW!

We're one of the UK's largest and most successful home builders and we've been building homes for nearly 50 years. Our success is down to the many talented people working across the business who drive new ideas and innovative ways of thinking to create homes for the future.

At Redrow, we believe everyone should feel welcome and respected, no matter who they are. We are committed to creating a workplace where people from all backgrounds can succeed and feel valued, ensuring everyone has access to the same equal opportunities. We know that by embracing diversity and inclusion, we can build not only better homes, but also a better future for everyone.

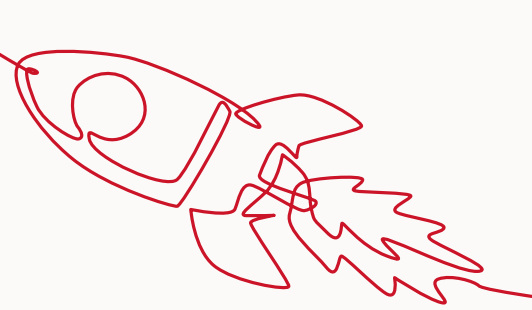

### **Akbar – Bricklaying Apprentice**

“ I had never been on site before, but the site manager was welcoming, and the other bricklayers were great to work with when I first started. I really enjoyed the learning experience especially with Redrow as they are incredibly inclusive. ”

THERE HAS NEVER BEEN A MORE  
EXCITING TIME TO WORK IN  
THE HOUSEBUILDING SECTOR

# BUILDING FOR THE FUTURE

**The government's plan to build 1.5 million homes is opening up exciting career opportunities for young people.** With so many homes to be built, there will be a huge demand for new talent to join the housebuilding industry. Whether you're interested in design, engineering, or project management, this is the perfect time to start a career in a field that is set to grow rapidly. A career in housebuilding will allow you to gain valuable skills, secure a well-paying job and be part of a major national project that will shape the future of housing in our country.

## GROW YOUR CAREER

**We offer apprenticeships in different areas including bricklaying, carpentry, plumbing and business administration. These programs let you learn on the job while earning qualifications, we also provide ongoing training and support to help you grow your career.**

As an apprentice, you'll start by learning the basics, working with experienced professionals. Over time, you'll take on more tasks, build new skills and can move up to higher roles in the company. Apprentices at Redrow earn a good starting wage, which increases as you gain experience. As you advance in your career, your earnings will continue to rise, making it a great way to start a successful and well-paid career in the housebuilding industry.

### **Tashai Simms – Carpentry Apprentice**

*“I explored all the different apprenticeships Redrow had to offer and I'm so glad I did – I have loved it from the moment I started, and the resources and support I receive are excellent. It's a great opportunity to further yourself and set you in good stead to start a career and work your way up.”*
