A Church of England School

As a Church of England school, we uphold Christian values and expect all staff to support our ethos, regardless of personal faith. Our mission is to serve the local community by providing an outstanding education to children of all faiths and none. This is expressed through regular acts of worship and a culture that values and cares for every member of our community.

Curriculum

Our curriculum is designed to meet the needs of all pupils by offering a breadth of educational opportunities. In Years 10 and 11, all pupils follow a core curriculum of English, mathematics, science, RE, PSHE, and PE. Additionally, pupils select courses from a wide range of GCSE options, including the EBacc suite of qualifications. The curriculum is delivered through five 58-minute periods per day, organised on a two-week timetable.

GCSE Results Success

We are proud of our pupils' achievements in their GCSEs. In 2025, 82% of our pupils achieved five good GCSEs, including English and mathematics, placing us among the highest-performing schools in Lancashire. Our Attainment 8 score was 55.56, and our Progress 8 score was 0.3, indicating that pupils made better-than-average progress compared to their peers nationally. Notably, 89.6% of pupils achieved a grade 4 or higher in English Language and Literature, and 87.7% achieved a grade 4 or higher in mathematics.

These results reflect our commitment to academic excellence and the hard work of our pupils and staff.

Ofsted Inspection 2025

In January 2025, the school underwent an Ofsted inspection and received the following ratings:

- **Quality of Education:** Good
- **Behaviour and Attitudes:** Good
- **Personal Development:** Good
- **Leadership and Management:** Good

Pastoral Care and Academic Guidance

Heads of Year and form tutors are responsible for the welfare, academic progress, and discipline of the pupils in their care. Time is set aside each day for a programme of activities designed to promote pupils' social and learning skills, support literacy, and enable tutors to get to know each pupil as an individual.

Home-School Links

We aim to develop strong links between home and school. Parents receive Weekly News publications and are provided with regular communications about developments in school. In addition, we publish various brochures and organise information evenings for parents at key points in their children's education, together with awards evenings to celebrate the success of pupils at different Key Stages.

Special Educational Needs and Disabilities (SEND)

At Archbishop Temple Church of England High School, we place equal value on the education of all pupils. Those with special educational needs or disabilities are encouraged to achieve their potential within each curriculum area; teaching assistants offer additional individual support. Some pupils are withdrawn from lessons for brief periods to work with specialist staff.

Extra-Curricular Activities

A wide variety of out-of-school clubs and activities are available to pupils. These vary across the academic year but might include dance, science, cookery, film club, eco club, IT, and many others. There are also excellent opportunities for pupils to begin or continue instrumental tuition and participate in the annual school musical production. Educational visits and exchanges are also part of our annual programme.

School Uniform

Pupils are expected to dress appropriately for a learning environment. School uniform is compulsory for all pupils.

ICT Resources

In recent years, the school has invested heavily to develop our ICT provision. We have a state-of-the-art Wi-Fi system and an excellent Virtual Learning Environment. Every pupil has their own iPad for use in learning, and this technology supports our innovative teaching and learning. Every teacher has an iPad Pro for their own personal use and a PC in their classroom.

Archbishop Temple Active in the Community

Pupils at Archbishop Temple Church of England High School are encouraged to learn from the expertise, experience, and information available within the local community. The school, in return, aims to provide a significant contribution to the community through the high-quality education, guidance, and care we provide for our young people and through participation in fundraising and community service. We give the opportunity to children in local primary schools to join us for enrichment activities and to take part in a range of programmes. Archbishop Temple Church of England High School is active in its support of charities, and each year we organise a number of fundraising activities. We are also committed to sustaining and extending our links with local businesses, both to enrich the curriculum and to encourage sponsorship and financial support for the work of the school.

Our Local Area

Despite being a university city and home to 135,000 people, over two-thirds of Preston is classed as a rural area. Surrounded by many pretty villages, it is a very pleasant place to live. Preston is frequently quoted in national studies as a city that has got things right in terms of town planning and infrastructure development. Preston benefits from excellent rail and road links; indeed, the school is easily accessed from the M6 motorway. The city offers the usual attractions of a vibrant place to live but also has some beautiful areas of outstanding natural beauty on the doorstep. The coast is easily accessed; Blackpool, the beautiful Fylde Coast, and Morecambe Bay are within 30 minutes' drive. The Lake District is 40 minutes away. Liverpool and Manchester are less than 1 hour away. London is 2 hours away by train, with Preston being a mainline west coast station, giving easy access to Scotland.

At Archbishop Temple, we are proud of our strong reputation for sporting excellence and our commitment to developing confident, resilient and physically active learners. Our Physical Education team is a dedicated group of subject specialists who share a passion for high-quality teaching, competitive sport and collaborative practice. We work closely as a team to refine our pedagogy, support professional development and ensure that

every pupil is given the opportunity to succeed and excel.

Physical Education is at the centre of school life at Archbishop Temple Church of England High School. We have a highly dedicated, motivated and successful department and supportive SLT with a strong tradition of participation and performance. A key strength of the department is its extensive extracurricular provision, with clubs running every day and teams competing regularly at district, county and national level. These teams regularly compete in both district and county finals. A strong commitment to extracurricular sport is fundamental to the ethos of the department, and staff play a vital role in supporting and developing this programme. Pupils' attitudes to Physical Education are overwhelmingly positive, reflected in high levels of participation and strong uptake at GCSE PE and Sports Studies.

As a staff, we aim to deliver stimulating and challenging lessons across all key stages. The department is highly regarded within the school, and staff are encouraged to be creative and flexible in their planning and delivery, responding to the needs of individuals rather than following rigid schemes of work. Alongside participation, there is a clear emphasis on performance and achievement, with pupils encouraged and supported to excel in sport.

Our curriculum is built around a carefully sequenced five-year journey. At Key Stage 3, pupils develop a broad range of skills through a multi-sport approach, focusing on motor competence, physical literacy, and an understanding of rules, strategies and tactics. As pupils progress, there is a greater emphasis on performance, decision-making and tactical awareness within full-sized activities.

At Key Stage 4, pupils build on these foundations, applying their knowledge and skills in more specialised contexts. The focus shifts towards leadership, teamwork and

communication, enabling pupils to become confident performers and leaders. We aim to instill not only a love of sport and physical activity, but also the drive to achieve and excel.

Across all key stages, our curriculum is underpinned by four key areas: individual skill mastery, physical competence, understanding of sporting principles, and the development of the three C's – collaboration, cooperation and competition. These principles are embedded in all lessons and across the wider extracurricular programme.

Facilities at the school are excellent and include five full-size, newly drained football pitches, a sports hall, two netball courts, an artificial cricket strip and an artificial football pitch. We also have access to the main hall for dance. Pupils in all years have iPads, which are used to support learning and promote independence.

The aims of the Physical Education department are to:

- promote excellence in both participation and performance;
- provide a broad, balanced and challenging curriculum that meets the needs of all learners;
- foster a lifelong commitment to physical activity and healthy lifestyles;
- develop leadership, teamwork and communication skills;
- deliver a high-quality extracurricular programme with strong levels of engagement;
- support all pupils to achieve their full potential and excel in sport.
