CENTRAL & WEST LANCASHIRE
MENTAL HEALTH SUPPORT TEAMS

Who are we?

- 🕒 We are a Mental Health Support Team who work with children and young people supporting them with their mental health and wellbeing
- 🕒 We provide low intensity interventions to support children with anxiety and low-mood.
- 🕒 Part of our role is to support wellbeing as part of the whole school approach, so we also do workshops and assemblies.

What we do

One integrated MHST providing support to Children, Young People, Families and Professionals in 89 educational settings across Central and West Lancashire.

We work with:

Primary
schools

Further
education
colleges

Secondary
schools

Specialist
schools

Support we offer:

Anxiety

- Mild to moderate anxiety driven by worries or fears (e.g. phobia/separation).
- Worries that are excessive, persistent, and irrational.
- Emerging behavioural changes and impact on day-to-day activities e.g. beginning to avoid situations/people/places.
- Physical signs of worry or anxiety including feeling tense, having mild 'anxiety attacks', difficulty sleeping, difficult to focus.

Low mood

- Persistent low mood.
- More than sadness in relation to a sad event (2+ weeks).
- May express feelings of hopelessness.
- May withdraw from everyday activities or show less enjoyment in the things they used to.
- Seeming flatter/less motivation.
- Sometimes shows irritability.
- May have fleeting thoughts of self harm and/or suicidal ideation (with no history of or current planning/intent)/

Parent-led support

- Working with parents to help their child overcome worries & fears.
- Anxiety may be driven by worries or fears (e.g. separation).
- Evidence-base generally for children aged 5-12.
- Psychoeducation of anxiety, goal setting and home-tasks.
- Empowering parents with techniques used in worry and anxiety management.
- We offer Parent/carer consultation upon request
