iPads for Learning

Mrs McLean

Archbishop Temple has used iPads in the classroom for the past **nine years**

Creating a digital environment:

- 1. Investing in IT infrastructure:** All pupils have instant access to IT.
- 2. Investing in teaching resources:** Firefly, Educake, Doodle, e-Books - Kerboodle, Microsoft Office 365 with a personalised school email address can all be accessed in every lesson right away without the need to carry text books around or book specialist rooms.
- 3. Improves organisation.** No need for paper planners, access to Firefly via the App and the web browser, most teaching and learning resources available in App form or via the web browser.

Why use the iPad?

- Durable
- Intuitive
- Fun
- Interactive
- Modern
- Mobile Device Management (MDM) – Jamf
- Apple Classroom

iPad for learning options:

1. Pay monthly
2. Buy outright
3. Bring your own Apple device (iOS 16 +)
4. Opt-out

NB – Pupils on the Pupil Premium register will be provided with an iPad once status confirmed

Purchasing through school:

- Secure online ordering portal through EDDE
- Spread the cost over 30 months or buy outright
- Payment via **monthly Direct Debit**
£17.02 per month for 30 months
- **Single payment of £464.270**

What is included?

- 9th generation iPad 10.2 inch 64gb currently priced at **£369** (Apple)
- **Full 3 Year Accidental Damage & Theft Insurance - £0 Excess -**
Insurance includes 6 claims over 3 years & mechanical repairs
- Protective Otterbox Symmetry case to protect and fit into school bag
- Approve glass protector, Tempered Glass
- Support and helpdesk
- Full Ownership included - device is yours to keep at the end of the term

How do I order?

Information will be sent out to all parents/carers on the next steps in ordering your child's iPad for school

Please complete this before 6th September.

Online safety and firefly

Mrs McLean

Online Safety

It is our vision here at Archbishop Temple Church of England High School that there is a **shared responsibility** for pupils' use of technology and their online safety. During the school day the schools MDM (Jamf) will manage iPads along with the ISP who is responsible for filtering inappropriate content on the Internet, this is done for the safety and safeguarding of pupils.

In addition to this there is an Online Safety area on Firefly for the pupils to use both in conjunction with lessons taught and to further their knowledge by using the wealth of resources and links to external sites.

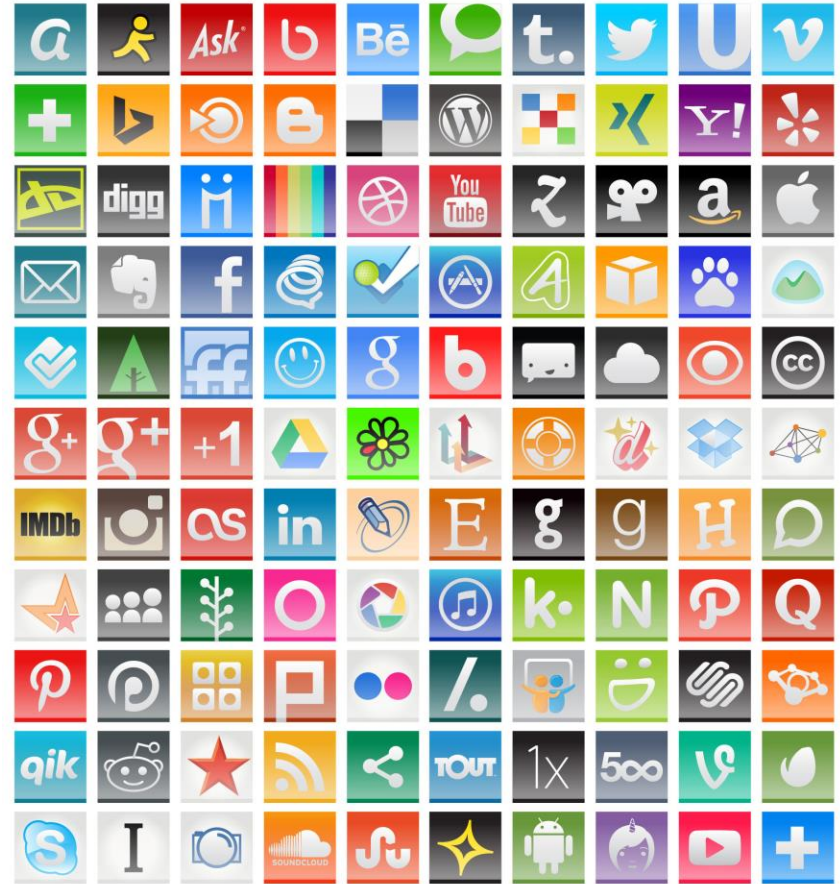

A shared responsibility

- Between the hours of 8.00am - 2.45pm
 - ATS MDM (Mobile Device Management) System will manage devices
- Between the hours of 2.45pm – 8.00am
 - Parents responsible for Online Safety
- Full support, advice and resources available on the School Website and on Firefly

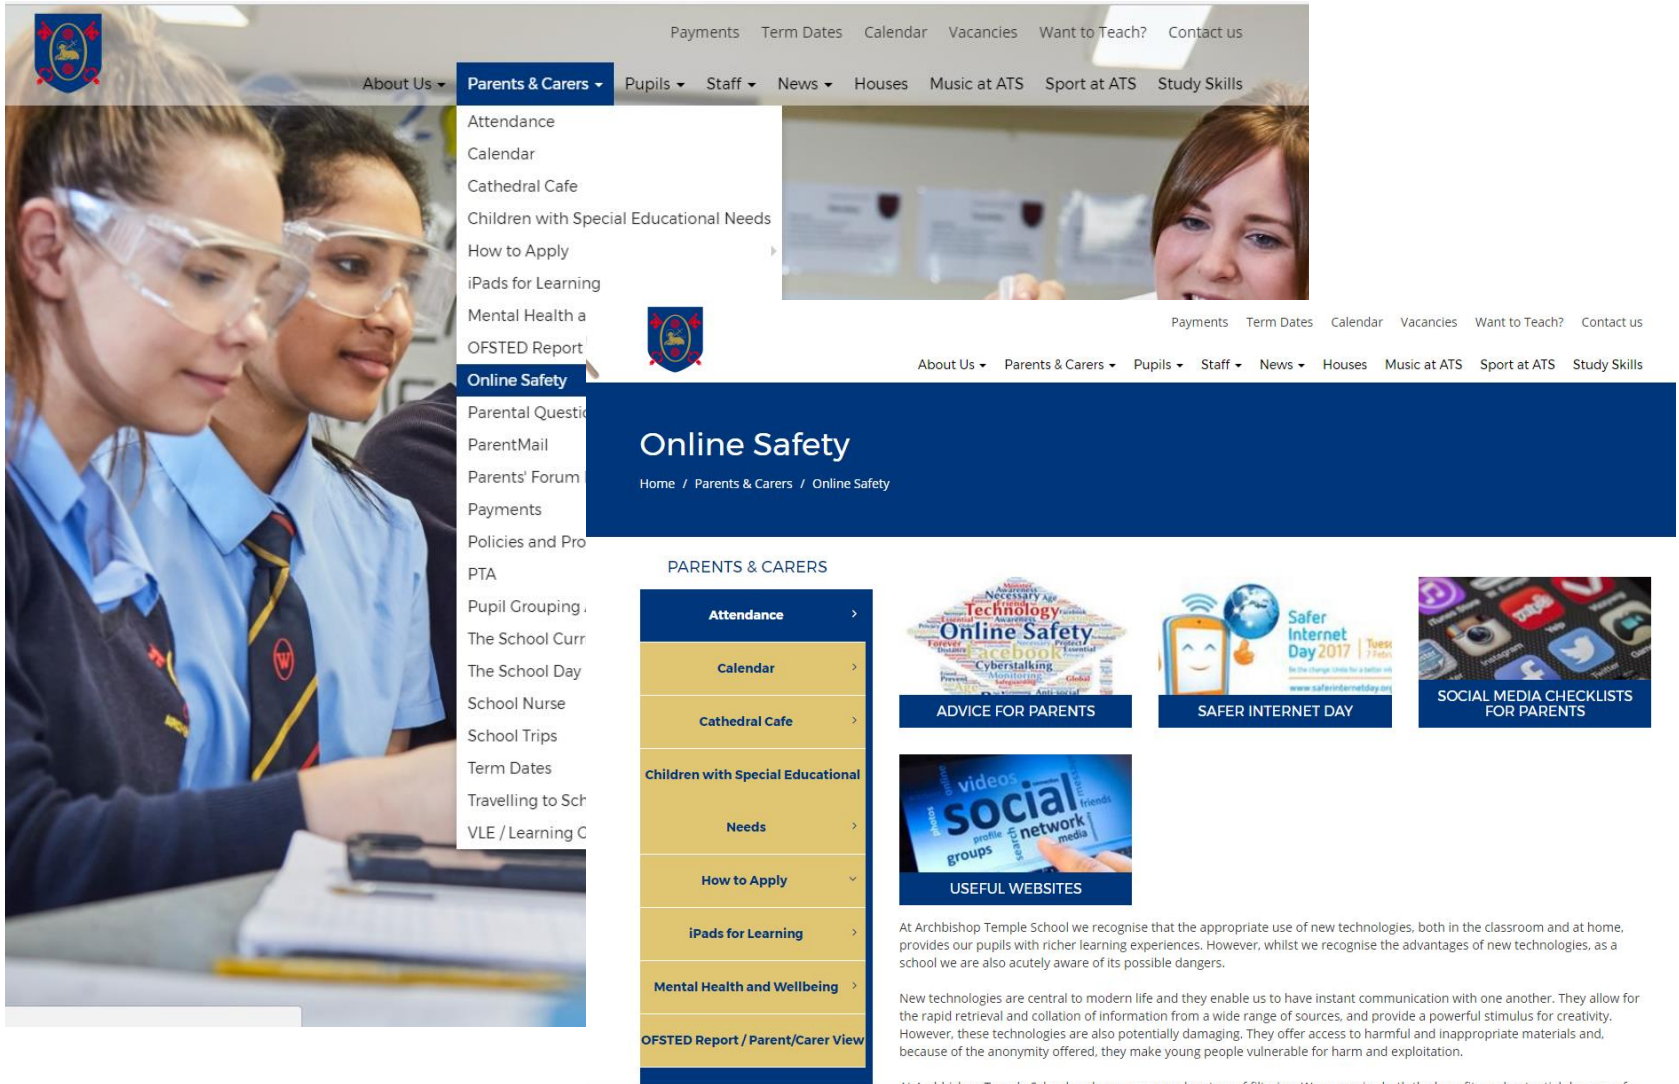

Social Media

- Minimum age 13
- Not allowed in school at all
- Increased issues brought into school
- Time out
- Nomophobia

Where to find support...

The screenshot displays the website of Archbishop Temple School. The top navigation bar includes links for Payments, Term Dates, Calendar, Vacancies, Want to Teach?, and Contact us. A secondary bar contains links for About Us, Parents & Carers (selected), Pupils, Staff, News, Houses, Music at ATS, Sport at ATS, and Study Skills. The 'Parents & Carers' dropdown menu is open, listing various support topics such as Attendance, Calendar, Cathedral Cafe, Children with Special Educational Needs, How to Apply, iPads for Learning, Mental Health, OFSTED Report, and Online Safety. The 'Online Safety' page is currently active, featuring a blue header with the title 'Online Safety' and a breadcrumb trail: Home / Parents & Carers / Online Safety. Below the header, a 'PARENTS & CARERS' sidebar lists categories like Attendance, Calendar, Cathedral Cafe, Children with Special Educational Needs, How to Apply, iPads for Learning, Mental Health and Wellbeing, and OFSTED Report / Parent/Carer View. The main content area highlights three key resources: 'ADVICE FOR PARENTS' (featuring a word cloud about online safety), 'SAFER INTERNET DAY' (with a smartphone icon), and 'SOCIAL MEDIA CHECKLISTS FOR PARENTS' (with a social media app icon). A 'USEFUL WEBSITES' section is also present, showing a word cloud related to social media. The page concludes with two paragraphs of text regarding the school's approach to technology in the classroom and at home, and a final line of text about the school's filtering system.

USEFUL WEBSITES

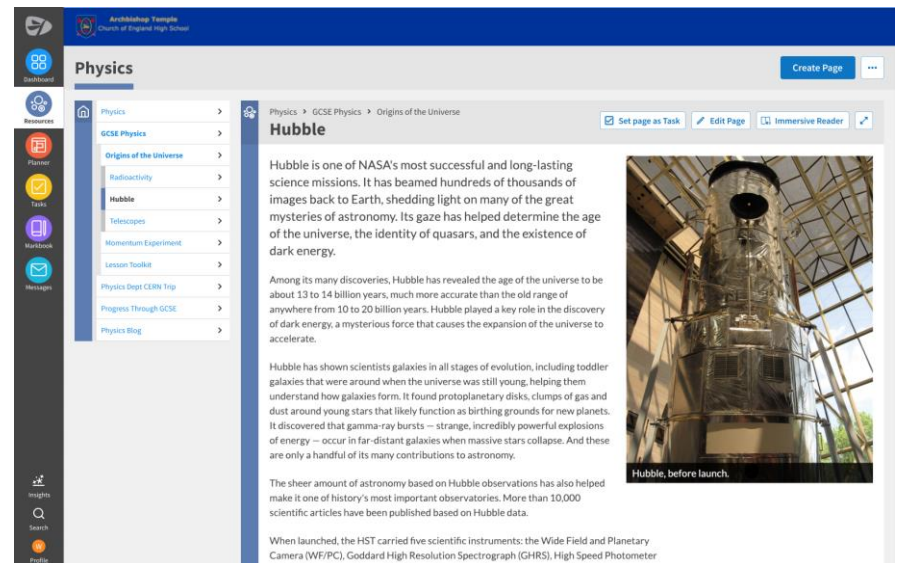

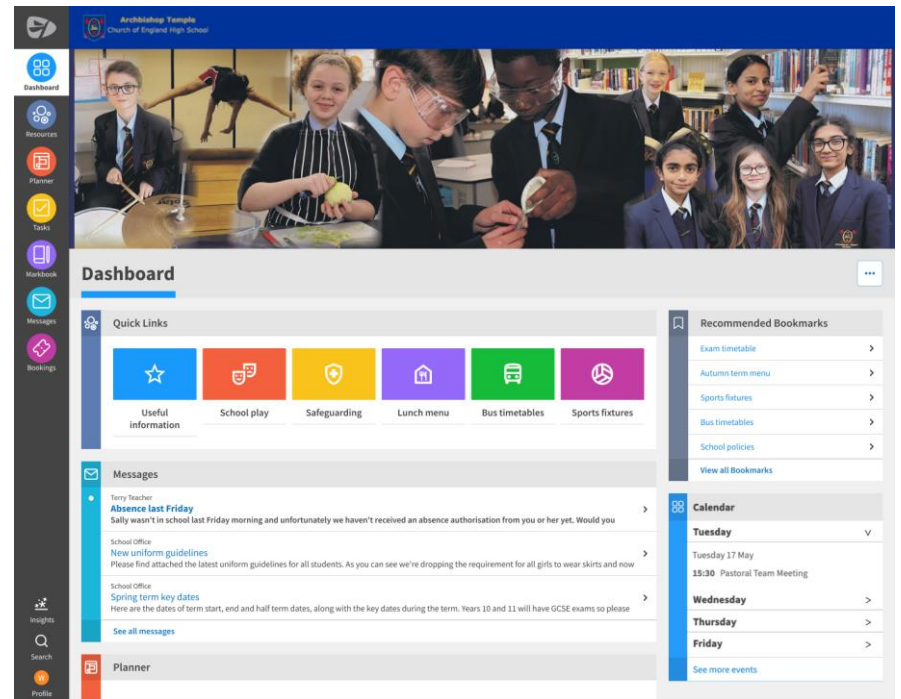

At Archbishop Temple School we recognise that the appropriate use of new technologies, both in the classroom and at home, provides our pupils with richer learning experiences. However, whilst we recognise the advantages of new technologies, as a school we are also acutely aware of its possible dangers.

New technologies are central to modern life and they enable us to have instant communication with one another. They allow for the rapid retrieval and collation of information from a wide range of sources, and provide a powerful stimulus for creativity. However, these technologies are also potentially damaging. They offer access to harmful and inappropriate materials and, because of the anonymity offered, they make young people vulnerable for harm and exploitation.

At Archbishop Temple School we have a managed system of filtering. We recognise both the benefits and potential dangers of

Firefly

- Firefly is our school portal which allows you to access information of your child's timetable, homework, feedback from teachers and much more.
- Pupils will be introduced to firefly in the coming weeks and will become more familiar with its functionality when they receive their iPads.

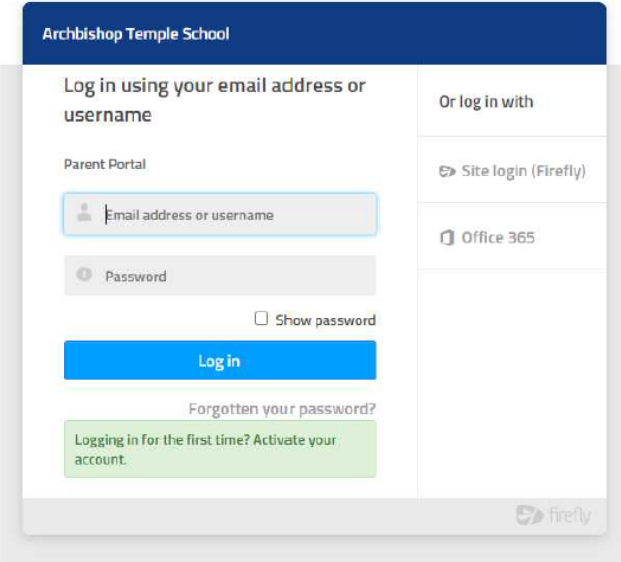

Firefly – Parent Access

To access firefly from home you need to visit the following web address:

<https://archbishoptemple.fireflycloud.net> (alternatively you can click on the link from the school website).

You will then be directed to the following page:

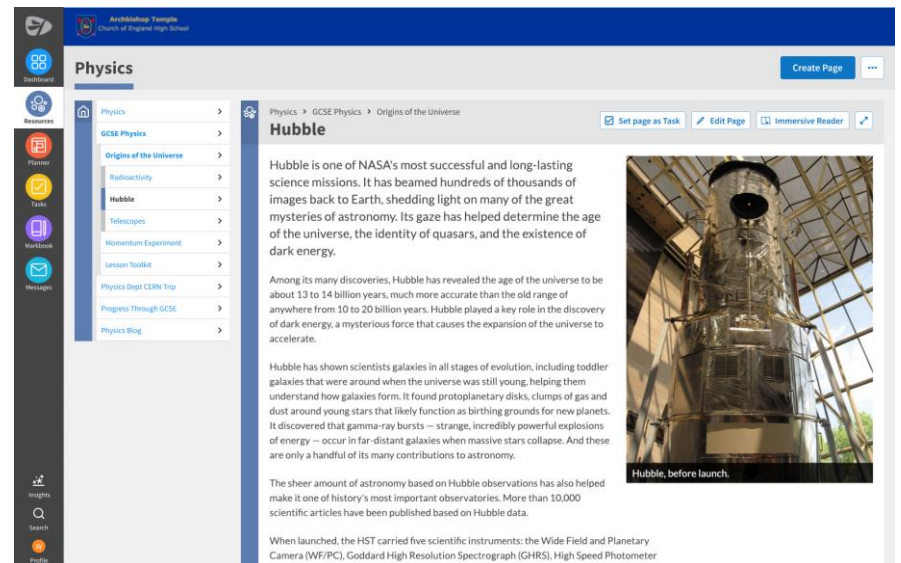

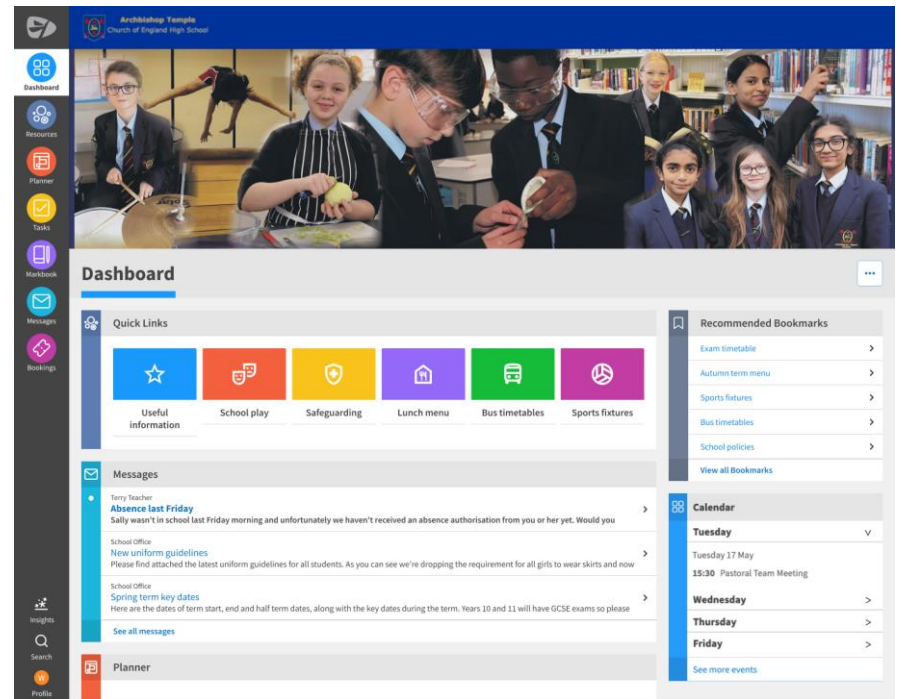

Click on the green icon 'logging in for the first time? Activate your account'.
