

Reading Leaders

Pupils have been trained by Coram Beanstalk. We were the first school in the local area to be trained up; our pupils have loved it!

They have been taught how to support younger readers with their fluency, as well as promoting a love of reading around school.

Current plan:

1. Reading Leaders (Coram Bean Stalk) had training.
2. For 'Won't Read' and confidence building – reading aloud – highlighted by staff and data.
3. This runs 2 mornings per week during form time (Year 7 work with Year 9, Year 8 work with Year 10)
