

Archbishop Temple
Church of England High School

Application Pack for Teacher of Mathematics

MPS/UPS

Required from
September 2026

Faith † Nurture † Service

Dear Applicant,

Thank you for your interest in the role of **Teacher in Mathematics** at Archbishop Temple Church of England High School.

We are looking to appoint an enthusiastic and dedicated Mathematics teacher who shares our commitment to educational excellence and social inclusion. We welcome maths teachers at all stages of their career, including ECTs, to apply for this role.

We have a very distinctive ethos; our motto of “May we shine God’s light through faith + nurture + service” is central to our work, as we aim to keep God at the centre of all we do. This post presents a wonderful opportunity for a talented, passionate and dedicated teacher. You would be joining our successful Mathematics department at a very exciting time for all associated with the school; the successful candidate will receive the wholehearted support of a thriving governing body and a highly dedicated staff team. Further support will be received through our excellent working partnerships with Blackburn Diocese and Lancashire County Council.

The school was last inspected by Ofsted in January 2025 and was deemed to be ‘Good’ in all four areas of the inspection process. The report reads that ‘pupils are proud to attend this school. They typically live up to the school’s values of respecting others and serving the community’ and ‘the school has high expectations of pupils’ achievement. The ambitious curriculum helps most pupils to achieve well. The work pupils produce in some subjects is of high quality. This reflects the positive commitment that most pupils have to their learning’.

We are always oversubscribed in Year 7. This year 600+ pupils applied for one of our 210 places. Working at Archbishop Temple Church of England High School represents an exciting opportunity to work in a school which has huge potential. Our staff are incredibly dedicated and supportive, and our pupils are a high achieving group of very positive and enthusiastic young people.

I hope that the information available inspires you to consider applying for this post. Please complete the application form which is available from our website, and include a letter (of no more than two sides of A4 in Calibri font size 11) explaining your suitability for the post. Electronic applications are fully acceptable and these should be emailed to head@archbishoptemple.com marked for the attention of Mrs C Simpson, my PA.

The closing date for applications is Monday 20th April 2026 (midday) and interviews are planned for Tuesday 28th April 2026. Candidates called for interview will be contacted by phone in the first instance with detailed information following by email.

For further information on our school and context please visit our website – www.archbishoptemple.com.

At Archbishop Temple Church of England High School, we take safeguarding very seriously and consequently the successful candidate will be required to complete a DBS enhanced check. Please do not include a CV with your application as it will be disregarded for safeguarding purposes.

If you are passionate about teaching Mathematics, have a passion for Teaching and Learning, developing high quality Christian education provision and want to make a difference to our children, then this is the role for you. I hope you will consider joining our team and I look forward to receiving your application.

Yours sincerely

Mr Ivan Catlow
Headteacher

About Archbishop Temple Church of England High School

Introduction

Established in 1964, Archbishop Temple Church of England High School is a voluntary-aided Church of England secondary school located in the affluent suburb of Fulwood, north of Preston. Currently, the school serves 885 pupils (growing to 1050 by 2029) aged 11–16 and is committed to providing an outstanding education rooted in Christian values.

Senior Leadership Team

- **Headteacher:** Ivan Catlow
- **Deputy Headteacher:** Lindsey Dudaniec
- **Senior Assistant Headteacher:** Jennifer Wozniak-Rush
- **Assistant Headteachers:** Jessica Banner, Ian Baybutt, Melanie Shaw and Kelcy Smith
- **School Business Manager:** Julie Childs

A Church of England School

As a Church of England school, we uphold Christian values and expect all staff to support our ethos, regardless of personal faith. Our mission is to serve the local community by providing an outstanding education to children of all faiths and none. This is expressed through regular acts of worship and a culture that values and cares for every member of our community.

Curriculum

Our curriculum is designed to meet the needs of all pupils by offering a breadth of educational opportunities. In Years 10 and 11, all pupils follow a core curriculum of English, mathematics, science, RE, PSHE, and PE. Additionally, pupils select courses from a wide range of GCSE options, including the EBacc suite of qualifications. The curriculum is delivered through five 58-minute periods per day, organised on a two-week timetable.

GCSE Results Success

We are proud of our pupils' achievements in their GCSEs. In 2025, 82% of our pupils achieved five good GCSEs, including English and mathematics, placing us among the highest-performing schools in Lancashire. Our Attainment 8 score was 55.56, and our Progress 8 score was 0.3, indicating that pupils made better-than-average progress compared to their peers nationally. Notably, 89.6% of pupils achieved a grade 4 or higher in English Language and Literature, and 87.7% achieved a grade 4 or higher in mathematics. These results reflect our commitment to academic excellence and the hard work of our pupils and staff.

Ofsted Inspection 2025

In January 2025, the school underwent an Ofsted inspection and received the following ratings:

- **Quality of Education:** Good
- **Behaviour and Attitudes:** Good
- **Personal Development:** Good
- **Leadership and Management:** Good

Pastoral Care and Academic Guidance

Heads of Year and form tutors are responsible for the welfare, academic progress, and discipline of the pupils in their care. Time is set aside each day for a programme of activities designed to promote pupils' social and learning skills, support literacy, and enable tutors to get to know each pupil as an individual.

Home-School Links

We aim to develop strong links between home and school. Parents receive Weekly News publications and are provided with regular communications about developments in school. In addition, we publish various brochures and organise information evenings for parents at key points in their children's education, together with awards evenings to celebrate the success of pupils at different Key Stages.

Special Educational Needs and Disabilities (SEND)

At Archbishop Temple Church of England High School, we place equal value on the education of all pupils. Those with special educational needs or disabilities are encouraged to achieve their potential within each curriculum area; teaching assistants offer additional individual support. Some pupils are withdrawn from lessons for brief periods to work with specialist staff.

Extra-Curricular Activities

A wide variety of out-of-school clubs and activities are available to pupils. These vary across the academic year but might include dance, science, cookery, film club, eco club, IT, and many others. There are also excellent opportunities for pupils to begin or continue instrumental tuition and participate in the annual school musical production. Educational visits and exchanges are also part of our annual programme.

School Uniform

Pupils are expected to dress appropriately for a learning environment. School uniform is compulsory for all pupils.

ICT Resources

In recent years, the school has invested heavily to develop our ICT provision. We have a state-of-the-art Wi-Fi system and an excellent Virtual Learning Environment. Every pupil has their own iPad for use in learning, and this technology supports our innovative teaching and learning. Every teacher has an iPad Pro for their own personal use and a PC in their classroom.

Archbishop Temple Active in the Community

Pupils at Archbishop Temple Church of England High School are encouraged to learn from the expertise, experience, and information available within the local community. The school, in return, aims to provide a significant contribution to the community through the high-quality education, guidance, and care we provide for our young people and through participation in fundraising and community service. We give the opportunity to children in local primary schools to join us for enrichment activities and to take part in a range of programmes. Archbishop Temple Church of England High School is active in its support of charities, and each year we organise a number of fundraising activities. We are also committed to sustaining and extending our links with local businesses, both to enrich the curriculum and to encourage sponsorship and financial support for the work of the school.

Our Local Area

Despite being a university city and home to 135,000 people, over two-thirds of Preston is classed as a rural area. Surrounded by many pretty villages, it is a very pleasant place to live. Preston is frequently quoted in national studies as a city that has got things right in terms of town planning and infrastructure development. Preston benefits from excellent rail and road links; indeed, the school is easily accessed from the M6 motorway. The city offers the usual attractions of a vibrant place to live but also has some beautiful areas of outstanding natural beauty on the doorstep. The coast is easily accessed; Blackpool, the beautiful Fylde Coast, and Morecambe Bay are within 30 minutes' drive. The Lake District is 40 minutes away. Liverpool and Manchester are less than 1 hour away. London is 2 hours away by train, with Preston being a mainline west coast station, giving easy access to Scotland.

Maths Department

At Archbishop Temple, we are proud of our strong reputation for academic excellence and our commitment to nurturing confident, resilient and capable learners. Our Maths team is a dedicated group of subject specialists who share a passion for high-quality teaching and collaborative practice. We work with the school leaders to refine our pedagogy, support our professional development, and ensure that every pupil can achieve their full potential.

Our outcomes continue to reflect the high standards we uphold. Provisional performance measures for 2025 show an **Attainment 8 score of 55.4**, placing us well above local and national averages. In the same year, **56.1% of pupils achieved grade 5 or above in English and Maths**, and **81.3% achieved grade 4 or above**, demonstrating both strong attainment and consistent progress across the cohort. We follow the Edexcel GCSE Mathematics Specification at KS4

Our curriculum is carefully sequenced from Year 7 to Year 11, ensuring deep conceptual understanding and readiness for GCSE. We follow a mastery-informed approach using OAT Maths, where reasoning, fluency, and problem-solving are given equal weight. Staff are well supported through a range of CPD opportunities, including work with our LA Maths consultant Kate Griffiths.

The Maths area is well resourced and supported in school, with subject-specialist classrooms, visualisers and projection equipment, and access to digital tools that enhance learning. Subscriptions to a leading online platform (SPARX) support independent study, and our schemes of learning are regularly reviewed to remain aligned with best practice.

We also offer pupils a wide range of enrichment opportunities. These include participation in national competitions, problem-solving clubs, targeted intervention sessions and a good relationship with LUSOM who regularly visit our school to deliver sessions to our KS4 pupils. We place great value on fostering curiosity and enjoyment in mathematics, and these experiences help to develop confident learners who are well prepared for future study.

As Teacher of Maths, you would play a key role in supporting the direction of the department, working with colleagues, delivering excellent practice, and continuing to build on our strong foundations. This is a superb opportunity for someone with ambition and vision who is ready to contribute to our ongoing success. If you share our passion for high-quality mathematics education and are eager to make a meaningful difference in a supportive and high-performing environment, we would be delighted to receive your application.

Mathematics Team

- **Curriculum Leader:** Simon O'Leary
- **Second in Maths:** Current Vacancy
- **Teachers of Maths:** Jessie Alston
David Hewitt
Jamie Ranson
Naomi Roden
Natasha Stansfield
- **Mathematics HLTA:** Maria Shaji Karingada

Job Description

Key Purpose:

The Teacher of Mathematics must provide high quality teaching, effective use of resources and high standards of learning and achievement for all pupils.

Responsibilities:

To support the curriculum leader with designated teaching and learning initiatives at Key Stage 3 and Key Stage 4 as directed by the Curriculum Leader of Mathematics which may include:

- Developing schemes of work across the department.
- Developing resources and sharing good practice.
- Developing extra-curricular, rewards, competitions and trips.
- Marking and standardising with colleagues.
- Working with the subject leader to ensure exam preparations and entries are completed.

Key functions:

1 Planning & Setting expectations

- Set high expectations and targets for teaching, learning, achievement and behaviour.
- Implement department improvement plans which focus on development, contribute to whole-school aims and identify realistic and challenging targets, actions, timescales and criteria for success.
- Contribute to the development of shared schemes of work and teaching resources.
- Ensure that department accommodation is used to create an effective and stimulating environment for the teaching and learning of Mathematics.
- Work with the SEN department to ensure that individual education plans are used to set subject specific targets where appropriate and match work to pupils' needs.

2 Teaching & managing pupil learning

Evaluating and evidencing the teaching and learning within the department.

- Follow the self-evaluation of the curriculum area in line with school self-evaluation procedures.

In particular ensuring the following:

- *curriculum coverage, continuity and progression for all pupils;*
- *constructive working relationships between staff and pupils;*
- *that lessons are based on learning objectives that are clearly communicated to pupils;*
- *select from a range of appropriate teaching and learning methods to meet the needs of the subject and of different pupils;*
- *the effective development of pupils' skills and understanding in literacy, numeracy, ICT, study skills and Citizenship.*

3 Assessment & Reporting

- Following school guidelines, use the systems for assessing, recording and reporting achievement, and using the information to recognise and raise achievement further.

- Use targets to evaluate progress by all pupils, including those with special educational needs.
- Monitor the progress made in achieving targets, evaluate the effects on teaching and learning, and use this analysis to guide further improvement.
- Use data effectively to identify pupils who are underachieving and, where necessary, create and implement effective plans of action to support these pupils.

4 Guidance & Welfare

Manage pupil behaviour in your lessons and in the department's teaching areas.

5 Wider Professional Role

Department ethos:

- Contribute to a positive climate in the department. Establish constructive working relationships among staff, including, through team working and mutual support, sharing responsibilities and tasks as appropriate and contributing acceptance of evaluation and accountability.
- Have a clear, shared understanding of the importance and role of Maths in contributing to pupils' spiritual, moral, cultural, social and physical development, and in preparing pupils for the opportunities, responsibilities and experiences of adult life.

Professional development:

- Participate in the school's Appraisal Policy.

Liaison:

- Support the school's link with the local community, using this to extend the subject, enhance teaching and develop wider understanding.
- Communicate effectively, orally and in writing, with parents

6 Promoting the Christian ethos of the school

Support and promote the distinctly Christian ethos of the school.

Teaching

- To undertake an appropriate programme of teaching in accordance with the duties of a standard scale teacher.
-

Additional Duties

- To play a full part in the life of the school community, to support its distinctive mission and ethos and to encourage and ensure staff and pupils to follow this example.
