

Join In Our Song

Chorus

Join in our song we're singing
Smile and make someone's day
Proud of what we're achieving
Making friends along the way

Join in our song we're singing
Shine like the brightest star
And if we keep believing
Then together we'll go far

Verse 1

Confidence
And honesty
Treating all
With dignity

Always try
To understand
Always lend a helping hand

Chorus

Join in our song we're singing *(Join in our song)*
Smile and make someone's day *(Make someone's day-ay-ay-ay)*
Proud of what we're achieving
Making friends along the way *(Making friends along the way)*

Join in our song we're singing *(Join in our song)*
Shine like the brightest star *(Shine like a star-ar-ar-ar)*
And if we keep believing
Then together we'll go far *(Then together we'll go far)*

Side by side

We are a team

Live to learn

And love to dream

Be the best

That we can be
