Schudio School APP

Dear Parents,

Please find below a link to an APP called Schudio School App. We have organised this with our website provider, so we can get in touch with you quickly if needed, like if the weather becomes very snowy (which it might in the next day or two). This way we can let everyone know if we are late back from a trip or having to close in the case of heavy snow. All you need to do is follow the instructions below and download the App.

To enable notifications, parent just need to follow these 3 steps:

1. Download the free 'Schudio School App' from the appropriate app store.
https://play.google.com/store/apps/details?id=com.info.schudio&hl=en_GB&gl=US&pli=1
<https://apps.apple.com/gb/app/schudio-school-app/id783548278>
2. Once downloaded simply search for 'Armathwaite' in the list of schools and select Armathwaite Community School as your chosen school.
3. Turn on notifications for the Schudio app in your settings.

If you have any difficulties with this, Carrie is happy to help out. Just give her a call.

Yours sincerely,

Helen Hepworth
Head teacher
