Dear Parents,

Pirates versus Merpeople

Just a quick reminder that the school play is tomorrow. We are all so excited and have been working really hard to get ready, practising words and songs, preparing costumes, scenery and props and getting the stage in place. Thank you so much to Damion and The Heather Glen, who lend us the stage and to everyone for sending costumes in, even if they weren't for the part your child is playing. We really appreciate this.

Our first performance is at 9.30am in the community school hall.

Our second performance is at 6.30pm. Children need to come back to school at 6pm at the earliest and 6.15pm at the latest, so they can put their costumes on and get ready to perform.

After the play, our brilliant PTFA will be providing a barbecue and refreshments, so you can have a chat and catch up. Thank you so much to them for organising this.

Parent Swimming Session

On Monday everyone is welcome to come along to watch their child's swimming lesson. Lesson times are below. If you need any more information about which group your child is in, please email me and I will let you know.

Sports Day

Sports Day is next Wednesday morning, weather permitting. It will begin at 9.30am and last around an hour and a half. It is a fun and inclusive sports day, where children will move around a range of challenges in their buddy groups, including an obstacle course, a three-legged race, cross the swamp, water wellies and Australian relay. You will be able to move around with them as they do this. Hope you can make it! Children will be able to use their school PE kit, including fleecy \sweat top and trainers. Please make sure they have all of these in school ready.

Eycott Nature Reserve Visit

On Thursday next week (July 13th), we will visit the extinct volcano at Cumbria Wildlife Trust site, Eycott Hill, Berrier in the Lake District. We will leave school at the beginning of the day and return before the end of the school day.
