Dear Parent\Carers,

Health and Safety

In response to concerns I have received I am writing to ask that people do not bring dogs in to the school playground when collecting children at home time. The area can become very busy as children leave the building to meet parent\carers.

Please would you also ensure that your child\children do not climb on the skyward summit (climbing mountain) at the end of the day. When children use this equipment during school time, we place safety mats around the base. There are restrictions on age and numbers using this equipment. We have lots of exciting equipment in this area and need to be sure it isn't dismantled at the end of the day.

Thank you for your understanding and support with this.

Please find below the slip from yesterday's letter.

Yours sincerely,

Head teacher
