Dear Parents and Carers,

We are pleased to invite you to an Internet Safety Talk taking place on Wednesday, 12th November, from 5:00pm to 6:00pm, at the same time as our Reading Evening. Please drop your children off at the Garden Room gate and then come in through the main reception door, the talk will be taking place in the Big Room.

The session will provide important information and practical advice on how to help children stay safe online, including managing screen time, understanding social media, and protecting personal information.

We strongly encourage all parents and carers to attend, as online safety is an essential part of supporting our children's wellbeing and learning both in and out of school.

We look forward to seeing as many of you as possible there.

Kind regards,

Mrs A Stamp

Headteacher
