Dear Parents,

We are hoping to use Seesaw (<http://seesaw.me>) after the holiday. It is a secure online way for us to communicate and share things we are doing. Your child will be able to add the things they are working on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you and other family members to view and comment on.

In order for your child to use Seesaw, the app needs your child's name to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that using Seesaw will help us to keep in touch in these challenging times. Please sign below and return this permission slip so that your child can use Seesaw.

An email containing the information below will be considered to be permission in the current Coronavirus crisis.

Yours sincerely,  
Helen Hepworth
