Dear Parents,

Make a cup of tea and find a comfy seat ~ lots of information in this letter!

Ofsted Report

Please find attached our Ofsted report from our inspection on Friday September 30th 2022. We are delighted with our report and so proud of our wonderful children who demonstrated how much they enjoy learning and what amazing learners they are.

Curriculum Plans

Also attached are our plans for autumn term across school and the curriculum. There are so many exciting learning opportunities taking place. Ask your child\children and they will tell you all about it. All interest in and conversations about what your child is learning will make such a difference to their approach to learning and the progress they make. Please read with (their reading book) and to your child as often as possible. As well as being a lovely thing to do together, it makes an enormous difference to their progress, not just now but also in the future. It is like having a savings account for them.

They are planning lots of exciting things for the afternoon, so please save the date. They will be writing to you soon.
