**Headteacher: Mrs Helen Hepworth**

1<sup>st</sup> February 2019

Dear Parents

### **School Lunch Shop**

Please could I ask that everyone remembers to order their child's meal on School Lunch Shop. Anne needs to know how many children she is preparing meals for. All meals need to be ordered. If you are having difficulties with the site please contact Mrs Dowes.

### **Parking**

Work is due to begin on the new housing development next to school on Monday 4<sup>th</sup> February. After school today Ben Wohl, chair of Governors, Grant Smith, parent governor, and I are meeting with the Genesis Homes head of construction to discuss the problems which may occur during this process . First of all we will ask about the traffic lights and how long they will be there; we realise how difficult this is making parking at the beginning and the end of the school day. However, can I please ask that we show consideration for our neighbours who are finding it difficult to access and exit their properties when cars are parked too close to their gateway. Please also make sure that you don't park by the school entrance as this is very dangerous for pedestrians. Safety is always our prime concern so could everyone be extra vigilant during this period of disruption. Hopefully, we may be able to come to some solution with the building contractors but I fear that this might not be high up on their agenda!

Yours sincerely

Helen Hepworth  
Headteacher
