# Armathwaite School PTFA

Introducing your new Parents, Teachers & Friends Association

## Hi...

So as you may already know the previous committee members have reluctantly relinquished their positions, and we, your new committee, are ready to introduce ourselves and some of our initial ideas for the PTFA going forward...

Our hopes for the PTFA are to add to the school community, providing a calendar of events that not only raises money for our fantastic school, but also brings us all together as parents and friends of the school. We all have a vested interest in making the school the best it can be, and after 2 very challenging years it will be fantastic to create some more opportunities for us all to get involved, get together and have some fun.

## Dates for your diary...

- **6th July**... Wine & Cheese post the Summer Play.
- **11th July**... Cuppa & Cake at Lazonby Swimming Pool for the last swimming session of the term - parents welcome.
- **16th July**... SUMMER FUN DAY on the school field (more info coming soon)
