Dear Parents,

Thank you

We would like to say thank you to everyone involved in school for helping us to keep our school safe during the current coronavirus pandemic. We really appreciate the care you are taking, especially as we hear that the number of positive tests in Cumbria is increasing. We know that some families are needing to self-isolate when members of their family have a positive test result or are waiting to hear a test result. Thank you to everyone.

The government have recently produced a new leaflet to support families. Please find this attached.

Yours sincerely,

*Helen Hepworth*
