Dear Parents,

### Whinlatter Visit

On Tuesday we will travel by bus to Whinlatter Visitor Centre for a day of outdoor adventures. We will leave school around 9am and travel in 2 coaches to the centre. We will return before the end of the school day.

### What Children Need

Children need to wear comfortable clothes and sturdy shoes\trainers. They will also need a waterproof coat. We will take our school water bottles so no one needs to bring a drink. We will take fruit\veg for break time and Anne is making a packed lunch for children who have school dinners. Please order a dinner on School Lunch Shop if you want Anne to make a packed lunch for your child.

If your child is bringing a packed lunch from home please put it in an easy to carry container in their bag\backpack. Just a reminder that we have a nut allergy in school, so please don't include nuts in packed lunch boxes.

### What Will We Do?

As outlined in my previous letter, children aged 6 and above who are over 1 metre tall can use the Go Ape equipment. We will go in groups of 8 with a member of our staff accompanying each group.

Younger children will use the excellent play areas and explore the forest and trees. We might even spot the Gruffalo.

See you on Tuesday.

Yours sincerely,
