

Under discussion : Waste and recycling!

New recycling and landfill bins introduced and discussed.

How can we best use them?

Are they big enough?

Where will we put them?

How can we make sure people put the right thing in the right bin?

What about milk and fruit waste at playtime? Fruit not getting eaten up and empty milk carton problem.

Action:

- Rachel and team to make labels for the bins
- Red ~ landfill, yellow ~ paper and card, blue ~ plastic
- Make new Johanna compost bin ~ Mrs A
- Have fruit inside and cut it up
- Milk in the top room. Pour into beakers if it helps younger children.
