

Armfield Academy – Art and Design Technology- 3D Design

2025-26 Year 11 Curriculum Overview

Half Term 1			
Date	Coursework- Project 3, Holiday Unit		
	Lesson 1	Lesson 2	Lesson 3
Week 1	Introduction to Y11 and the challenge ahead, recap on Y10 and progress to the current stage.	Focus on final design drawings and model construction. Recap on modelling techniques through examples and discussion. Focus on quality of making and attention to detail.	Continue with final design and preparation for final making. During term 1 Y11 the group will be working on both model making and final design drawings and presentation. There will be some students who will be transitioning from development. Go through the timeframe with students by the end of lesson 3.
Week 2	Final design drawings recap. Discuss different ways to present final design ideas including; elevations (rendered), isometric, perspective and interior views.	Focus on interior views and input on interior views and different techniques to display final interior views.	Final design drawings continue and present.
Week 3	Final design model	Continued work on final design working drawings and final model	Final design presentation and model making
Week 4	Final design presentation and model making	Final design presentation and model making	Final design presentation and model making
Week 5	Final design presentation and model making	Final design presentation and model making. Recap on influences in regards to landscape and location	Final design presentation and model making. Recap in regards to influences from architect designer styles.
Week 6	<u>Week to begin with information about individual tutorials running for the next two weeks.</u> Final design presentation and model making	Final design presentation and model making individual tutorial time	Final design presentation and model making individual tutorial time
Week 7	Final drawings and making.	Final drawings and making.	Final drawings and making. Recap on the first half term and progress check.
Half Term 2			
Date	Coursework- Project 3 Holiday Unit		
	Lesson 1	Lesson 2	Lesson 3
Week 1	Final design presentation and model making individual tutorial time	Final design presentation and model making individual tutorial time	Final design presentation and model making individual tutorial time
Week 2	Focus on construction materials through the final presentation stage.	Focus on construction materials through the final presentation stage.	Focus on construction materials through the final presentation stage.
Week 3	Final presentation and model making personal response	Final presentation and model making personal response	Final presentation and model making personal response
Week 4	Final presentation and model making personal response	Final presentation and model making personal response	Final presentation and model making personal response
Week 5	Group discussions on final design and project progress Group 1	Group discussions on final design and project progress Group 2	Group discussions on final design and project progress Group 3
Week 6	Final presentation	Final presentation	Evaluation and reflection discussion as a group
Week 7	Evaluation and reflection	Evaluation and reflection presentation	Evaluation presentation
Half Term 3			
Date	Component 2 (AQA EX SET) students to decide on the theme and context 3D Design context.		
	Lesson 1	Lesson 2	Lesson 3
Week 1	Intro Theme Choice	Group discussion on themes and suggestions and project ideas. Mind Map	Mind Map
Week 2	Mind Map	Moodboard pending theme choices	Moodboard
Week 3	Moodboard	Initial Investigations research and analysis	Initial Investigations research and analysis
Week 4	Initial Investigations research and analysis	Initial Investigations research and analysis	Architect/designer research
Week 5	Architect/designer research 1	Architect/designer research 1	Architect/designer research 1
Week 6	Personal Response 1	Personal Response 1	Personal response 1

Half Term 4**Component 2 (AQA EX SET)**

Date			
	Lesson 1	Lesson 2	Lesson 3
Week 1	Architect/designer research 2	Architect/designer research 2	Architect/designer research 2
Week 2	Personal Response 2	Personal Response 2	Personal Response 2
Week 3	Architect/designer research 3	Architect/designer research 3	Architect/designer research 3
Week 4	Personal Response 3	Personal Response 3	Personal Response 3
Week 5	Personal Response 3	Architect/designer Merge	Architect/designer Merge

Half Term 5**Component 2 (AQA EX SET)**

Date			
	Lesson 1	Lesson 2	Lesson 3
Week 1	Architect/designer Merge	Architect/designer Merge	Architect/designer Merge
Week 2	Final Plan	Final Plan	Final Plan
Week 3	10 HOUR CONTROLLED EXAM	10 HOUR CONTROLLED EXAM	10 HOUR CONTROLLED EXAM
Week 4	Submission Preparation	Submission Preparation	Submission Preparation
Week 5	Submission Preparation	Submission Preparation	Submission Preparation
Week 6	Submission Preparation	Submission Preparation	Submission Preparation

Half Term 6**Y11 Completion of Course**

Date			
	Lesson 1	Lesson 2	Lesson 3
Week 1			
Week 2			
Week 3			
Week 4			
Week 5			
Week 6			
Week 7			
Week 8
