### Phase 3 Tricky Word Bingo

This one is super simple and also works well if you have more than one child. First, create a grid on a piece of paper, and write down various tricky words (see below). Next, prepare a set of tricky word flash cards on pieces of paper or card if you have it. Then pull out a card at random and say the tricky word out loud - if your child has the correct sound written down, they can cross it off. Once they've crossed off everything, get them to shout 'BINGO!'
