

2021-22 Year 7 Curriculum Overview

Half Term 1			
Date	Enquiry Question(s) – Why is the world so significant? / How does the Chocolate Industry support development in Africa?		
Date	Lesson 1	Lesson 2	
WB 6 th September	What is "geography"?	What is "geography"? (Baseline Assessment)	
WB 13th September	Where are the new second wonders of the world? (Describing location)	Why is Dubai such an attractive place to visit? (4 figure grid references)	
WB 20th September	What is the Great Wall of China? (Measuring Distance)	Why is Christ the Redeemer so large? (Scale)	
WB 27th September	Why are the Blue Mountains so significant? (Height on a Map)	Review: Why is the world so significant? (Revision)	
WB 4 th October	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 11 th October	What is Africa like?	What are the different types of industry?	
	Half Term 2		
Date	Enquiry Question(s) – How does the chocolate industry support develo	pment in Africa? / What is the human & physical geography of the UK like?	
Bute	Lesson 1	Lesson 2	
WB 1 st November	Where is best to locate industry?	What impact does chocolate have on the development of a country?	
WB 8 th November	Why is Child Labour used in LICs?	What is the role of HICs in supporting the chocolate industry?	
WB 15 th November	What role is climate change having on the chocolate industry?	How can the chocolate industry become sustainable?	
WB 22 nd November	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 29th November	What is Britain?	What is Britain's landscape like?	
WB 6 th December	Where are the UK's major cities?	What causes cities to grow?	
WB 13 th December	How is Britain's population distributed?	What makes Britain great? (Multiculturalism)	
	Half Term 3		
Data	Enquiry Question(s) – What is the hun	nan & physical geography of the UK like?	
Date	Lesson 1	Lesson 2	
WB Tues 4th Jan	Was Brexit a good idea?	Was HS2 really needed?	
WB 10th January	What is the UK's physical landscape like?	What is glaciation?	
WB 17th January	**A Glaciation Feature**	Why is the Lake District important?	
WB 24th January	What is a drainage basin?	What can you find in the upper course?	
WB 31 st January	What can you find in the lower course?	Why did floods happen in Cockermouth?	
WB 7th February	Why are rivers so significant?	Why are supply management strategies needed?	
	Half Term 4		
_	Enquiry Question(s) – Why is the Middle East an important world region?		
Date	Lesson 1	Lesson 2	
WB 21 st February	Ecosori T End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 28 th February	The middle of what, the east of where?	How does physical geography influence the region?	
WB 7 th March	What problems does the climate of the Middle East create?	Why is the population of the Middle East so diverse?	
WB 14 th March	Why is the Middle East a major economic region?	How has the UAE developed?	
WB 21 st March	How does Yemen compare to the UAE?	How do different areas of the Middle East compare? (Consolidation)	
WB 28 th March	Why does migration in Syria matter to me? (Part 1)	Why does migration in Syria matter to me? (Part 2)	
	Half Term 5		
5.4	Enquiry Question(s) – Is Climate Change real?		
Date	Lesson 1	Lesson 2	
WB Tues 19th April	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 25 th April	What is the future of our planet?	What has happened to the Earth's temperature over time?	
WB 2 nd May	What is the evidence for climate change?	Why is climate change happening?	
WB 9 th May	What are the consequences of climate change on the planet?	Who will suffer the most from climate change?	
WB 16th May	What does climate change mean for the UK?	What does climate change mean for the world's Polar Bears?	
WB 23rd May	What does climate change mean for the world's Polar Bears?	What can we do about climate change?	
	Half Term 6		
Date	Enquiry Question(s) – What is the microclimate of Armfield Academy?		
	Lesson 1	Lesson 2	
WB 6 th June	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 13 th June	What is fieldwork?	How do we plan fieldwork?	
WB 20 th June	How do we collect the data?	How do we accurately complete fieldwork?	
WB 27 th June	How can we present the data we have collected?	What does the data show us? (Analysis)	
WB 4 th July	What have we learnt from our fieldwork? (Conclusions)	How could we do better next time? (Evaluation)	
WB 11 th July	Review: How do we produce a field report?	Feedback, DIRT & Pupil Voice	
WB 18 th July	End of Year Review	End of Year Quiz	

2021-22 Year 8 Curriculum Overview

Half Term 1			
Date	Enquiry Question(s) – What processes shape the coastal landscape?		
Bate	Lesson 1	Lesson 2	
WB 6th September	What does "geography" in Year 8 look like?	What is the coast? (4 figure grid references)	
WB 13th September	What is weathering?	How do different types of waves work?	
WB 20th September	What are different types of erosion?	How do headlands and bays form?	
WB 27th September	What is cliff collapse? (Contours)	How does the sea transport material? (Measuring distance)	
WB 4 th October	How does deposition create spits and bars?	Why are sand dunes important? (6 figure grid references)	
WB 11 th October	What is the coast used for? (Human and Physical Features)	End of Enquiry Assessment	
	Half Term 2		
Date	Enquiry Question(s) – Why are ecosystems so significant?		
	Lesson 1	Lesson 2	
WB 1 st November	Feedback, DIRT & Pupil Voice	What are ecosystems and biomes?	
WB 8 th November	What is the TRF and where is it located?	How has vegetation adapted in the TRF?	
WB 15th November	Why is there deforestation in the TRF?	Why is sustainability important in the TRF?	
WB 22 nd November	What are deserts?	How do mesa and buttes form? (Part 1)	
WB 29th November	How do mesa and buttes form? (Part 2)	What is a deciduous woodland?	
WB 6 th December	How do food chains in a deciduous woodland survive?	How does rewilding in the UK work? (Part 1)	
WB 13 th December	How does rewilding in the UK work? (Part 2)	What is the Taiga?	
	Half Term 3		
Date	Enquiry Question(s) – Where is the population o	f the world? / What does tourism bring to the world?	
Bale	Lesson 1	Lesson 2	
WB Tues 4 th Jan	How have wolves adapted to the cold environment?	How have wolves adapted to the cold environment? (Consolidation)	
WB 10 th January	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
WB 17th January	What is population density and distribution?	Where are the fastest growing cities located?	
WB 24 th January	What are population pyramids?	What issues does overpopulation create?	
WB 31 st January	How have countries attempted to deal with over-population?	Where do people migrate to and why does migration happen?	
WB 7 th February	2100 – Population of the future?	End of Enquiry Assessment	
	Half Term 4		
Date	Enquiry Question(s) – What does tourism bring to the world? / Is money really important?		
Dute	Lesson 1	Lesson 2	
WB 21 st February	Feedback, DIRT & Pupil Voice	What is tourism?	
WB 28 th February	What is tourism like in Thailand?	Where is the best location for a tourist resort?	
WB 7th March	Mass tourism: Good or bad?	Why is eco-tourism the future?	
WB 14 th March	What is voluntourism?	Would you be a medical tourist?	
WB 21 st March	What is extreme tourism? (Part 1)	What is extreme tourism? (Part 2)	
WB 28th March	End of Enquiry Assessment	Feedback, DIRT & Pupil Voice	
	Half Term 5		
Date	Enquiry Question(s) –	ls money really important?	
Bato	Lesson 1	Lesson 2	
WB Tues 19th April	What is an economy? (Local to Global)	How has employment changed over time in the UK?	
WB 25 th April	What is happening down on the farm?	Why did Nissan choose to locate in the UK? (Impact of Brexit)	
WB 2 nd May	How is employment structured in other countries?	Where did the UK's factory jobs go?	
WB 9 th May	What is the truth behind your iPhone?	What is the truth behind your iPhone?	
WB 16 th May	Is money really the future? (Case Study: New Zealand)	End of Enquiry Assessment	
WB 23rd May	Feedback, DIRT & Pupil Voice	What is settlement?	
	Half Term 6		
Date		– What is urbanisation?	
	Lesson 1	Lesson 2	
WB 6 th June	Where are settlements located?	What is the Burgess land-use model?	
WB 13 th June	What are the benefits and problems of growth?	What are sustainable cities?	
WB 20 th June	What are megacities?	What is our hypothesis? (Introduction to fieldwork)	
WB 27 th June	How can we collect data? (Methodology)	How can we present the data we have collected?	
WB 4 th July	What does our data show us? (Analysis)	What have we learnt from our fieldwork? (Conclusions)	
WB 11 th July	How can we do better next time? (Evaluation)	Feedback, DIRT & Pupil Voice	
WB 18th July	End of Year Review	End of Year Quiz	

Armfield Academy – Department of Geography

2021-22 Year 9 Curriculum Overview

Date Encluy Question(s) - How can geography be dangerous? / What are the challenges of tectonics? Instrument What does "geography" in Year 9 look like? What are sink holes? Instrument Can you write your own geo-report? What have we learn about Ebola? Instrument What is Ebola? What is Ebola? Instrument What is North Korea really like? What is North Korea really like? Instrument What is North Korea really like? What is North Korea really like? Instrument End of Enguiny Assessment Feedback, DIRT & Pupi Voice Instrument What is the structure of the earth like?
