Dear Parents/Guardians,

Re: Special Offer on GCSE Science Revision Resources

In March we sent out a letter with an offer to buy science revision guides at a discounted price. We wanted to send the same offer out again for any students who missed out on this opportunity so students can buy revision guides before their paper 1 science mock exams that are taking place next half term.

Please note that it is not essential to buy revision guides. Free resources are available online. Please don't feel the need to buy all items. These are purely options for students, as all students learn in different ways.

The available resources are as follows:

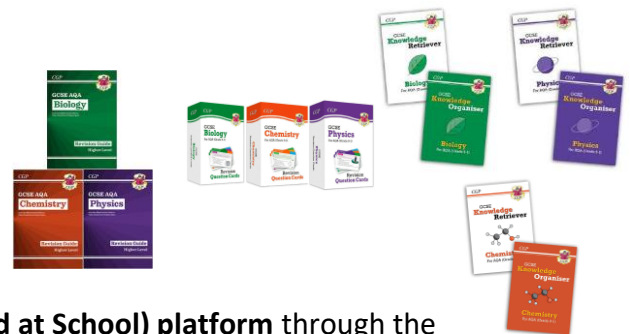

Combined students

- GCSE Combined Science Revision Guide – £6.60 (RRP: £12.50)
- Combined Flash Cards – £8.60 (RRP: £14.16)
- Knowledge Organiser & Retriever Bundle – £8.10 (RRP: £14.00)

Triple students

- Triple Science Revision Guide – £10.60 (RRP: £21)
- Triple Flash Cards – £14.50 (RRP: £24.99)
- Triple Knowledge Organisers – £9.90 (RRP: £20.25)
- Triple Knowledge Retrievers – £9.90 (RRP: £20.25)

These resources can be easily ordered via the **MCAS (My Child at School) platform** through the "Products" section. Simply log in to your account, select the items you wish to order, and complete your purchase.

Please ensure that you complete your order by the **18th May** so revision guides can be ordered before half term. Should you have any questions please do not hesitate to contact Mrs Cook at a.cook@armfield.fcat.org.uk.

Yours sincerely,
Mrs Cook
