

'An Academy to be Proud of'

21st September 2026

Dear Parent/Carer,

Firstly, I would like to invite you and your family to our Armfield Academy 2026 Open Evening on Thursday 8th October, 5-8pm. Our school is an all-through school in which every child really matters. It is a school for all children irrespective of culture, ethnicity, background and ability and has an ethos based on the traditional British family values of pride, respect, integrity, discipline and excellence.

Our Open Evening has been arranged for parents and students to get an update on the progress of our school, meet our staff and students, together with an opportunity for you to ask any questions which you may have regarding the Academy or transition to Armfield for your child. We feel that parents/carers would appreciate the opportunity to talk to staff and current students in person and we are confident that you will see for yourselves that the Armfield community is a place where your child can thrive.

Our vision pervades everything we do - "an Academy to be proud of". To foster this we aim to ensure every student is hardworking, articulate, literate, knowledgeable, confident, independent, courteous and compassionate. All of our provision underpins the development of these characteristics, which enable students to achieve the best from their education and stand them in good stead for the rest of their lives.

Together we strive to enable our students to fulfil their potential in an inspirational and professional learning environment. Creating further an inclusive culture which celebrates success and builds the highest expectations for all our students. We care deeply about our students but also want them to work hard to achieve the very best outcomes they can at every stage of their development.

Primary Address: 17:15pm – Deputy Head Teacher (Primary Studies), Mrs J Jones

Secondary Address: 17:45pm & 18:45pm – Memorial Hall – Headteacher, Dr J Hutchinson

On behalf of the Team, I would like to thank you in anticipation of attending our Open Evening. To support our local residents, walking to the event is advisable although some parking will be available at school. Together with the whole staff, we look forward to working with you and your child/children over the coming years in giving them the very best education that we possibly can.

Yours sincerely,

Dr J Hutchinson
Headteacher
