

Newsletter

Dear Armfield Parents and Carers,

A warm welcome to this week's newsletter! We are always delighted to share the fantastic achievements of our students and keep you updated with important reminders to ensure everything runs smoothly at Armfield Academy.

Messages

- Winter is coming! Please ensure your young person is appropriately dressed for school with a winter coat to keep them dry from the downpours we are experiencing. Please ensure they have school shoes that are appropriate and please support us when we are trying to maintain our high standards of uniform.
- Please understand that our staff are working hard to ensure they are delivering a strong curriculum to your young people that is ambitious and raises their aspirations. Please ask them at home what they are studying and find out what they enjoy most at school.
- Open evening is coming (Thur 8th) and we are look forward to showing our school off to the year 6 youngsters in Blackpool. Thank you, all the parents that are helping the school by loaning us your young people for the evening. Don't forget it is any early closure on Thursday for the high school (12.55PM)

Attendance Matters News!

We have had a fantastic week celebrating high and improved attendance across all year groups at Armfield Academy! Our Year 11 students who maintained positive attendance streaks were invited to the Memorial Hall for our very first "100 Club" breakfast, while our Year 7 tutor group with the highest overall attendance was rewarded with reusable drinks cups. Sweet treats were also distributed throughout other year groups to recognise students demonstrating excellent or noticeably improved attendance. Thank you for supporting your children in showing up every day - because every moment counts!

At Armfield Academy, student wellbeing is at the heart of everything we do, and we understand that young people will inevitably feel a little under the weather or suffer minor injuries from time to time. To help us support your child during these times, we have launched a brand-new '**Under the Weather**' button on our website. This quick and simple feature allows you to notify us if your secondary aged child isn't feeling 100%, enabling our staff to keep a closer eye on them throughout the school day and provide any extra care they might need. You can access the tool and learn more on our [Attendance and Punctuality page](#). Our primary parents should continue to speak directly to their child's class teacher.

Newsletter

Blackpool & Fylde College

The next school leaver open event at Blackpool and The Fylde College will take place on **Saturday 7th November** from **10.30am - 2pm**.

The event will run at both the Bispham Campus and at Blackpool School of Arts, University Centre. Attendees must ensure they attend the correct campus for their course of interest.

Prebook via the links below. The first 100 learners to pre-book will get a Starbucks voucher when they check into the event.
