Messages

A big push for the last week of term!

- Please can we ask parents to ensure in the last week, students have water with them and full school uniform.
- Thank you to all the young people who supported us with open evening. It was an excellent night and lots of positive comments made about our young people and our school.
- Please refrain from parking in the disabled bays when dropping of and collecting students. We have visitors and staff who are blue badge holders that require these spaces. Also, we ask you do not park on the yellow lines Lytham on road as it causes a viewing obstruction for people leaving the carpark and our priority is to ensure the safety of our young students. Thank you for your understanding.
