PSHE Family Roadshow: Building a Safer, Stronger Community

On **April 23rd**, our community came together for the **PSHE Family Roadshow**, a fantastic event connecting local households with the services that support them.

The day was packed with practical support and fun for the whole family:

- **Safety First:** The **Fire Service and Police** shared vital tips on road awareness and personal safety. A huge thank you to the Fire Service, who offered **free smoke alarm installations** to help keep our homes safe.
- **Family Support:** Staff from local **Family Hubs** provided a "one-stop shop" for expert advice, helping parents navigate local services and find tailored support.
- **Learning & Literacy:** The **Literacy Trust** empowered parents with free resources and coaching to help lead their children's learning journey at home.

Beyond the freebies and advice, the roadshow helped our children build **positive relationships** with local heroes like firefighters and police officers. By turning safety and support into an interactive experience, we've taken a big step toward a more connected and resilient community.

Year 4 football club fun!

Year 4 thoroughly enjoyed the **Fit2Go Festival** at Blackpool Football Club. They stayed active with dancing, dodgeball, athletics, and football. Most exciting of all was the special chance to play on the famous pitch, making for a truly memorable day out.

*Thank you for your continued support—we love celebrating our students' successes with you! **Best wishes,** The Armfield Academy Team*
