

Newsletter

Dear Armfield Parents and Carers,
A warm welcome to this week's newsletter! We are always delighted to share the fantastic achievements of our students and keep you updated with important reminders to ensure everything runs smoothly at Armfield Academy.

Messages

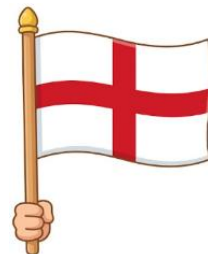

- A reminder to parents to ensure their young people have a water bottle with them each day as the weather remains warm this coming week.
- A reminder and thanks to all parents for communicating with us throughout the school to keep us up to date on our young people and the support they require during the school day.
- Full school uniform next week for our students, even those young people in our school production. They will have the opportunity to change during the school day.
- Year 10 parents evening is on Wednesday 5-7pm access via Arnold Avenue. Please attend and support us in your young persons' journey towards their GCSEs.

Game On! Monday Morning Update

While we know some of our students (and staff) will be staying up late to cheer on England against Mexico at 1:00 am, school will be opening as normal at 08:45 am on Monday morning. Here is why we are keeping our doors open right on time:

- **Shared Team Spirit:** There is no better place to celebrate a massive result or debrief the game's biggest moments than together with friends and teachers who share the same excitement.
- **Routine & Attendance Streak Keeps Us Moving:** Sticking to our normal routine keeps our momentum and attendance streak going and helps everyone transition smoothly into a productive week.
- **Supporting Our Families:** We want to ensure parents and carers can maintain their usual Monday work schedules without the added stress of morning disruptions or unexpected childcare changes.

A Quick Tip for Monday: For those students wanting to watch the match, please make sure they get plenty of rest beforehand, maybe pack an extra snack for a morning energy boost, and let's hope for a positive result – come on England!

Rockstars of the MTC: **A Well-Earned Day of Music and Innovation!**

A massive congratulations to all of our children for their incredible focus and effort during their yearly **Multiplication Tables Check (MTC)** assessments. To celebrate all of their hard work, we traded math grids for guitar riffs and hosted a special **Musical Reward Day!**

The children absolutely blew us away with their fantastic music outfits—as you can see from the photos, we have some true style icons in our midst.
