

Newsletter

Dear Armfield Parents and Carers,

A warm welcome to this week's newsletter! We are always delighted to share the fantastic achievements of our students and keep you updated with important reminders to ensure everything runs smoothly at Armfield Academy.

Messages

- Can we please remind all students to bring a water bottle to school.
- Last week of term and we remain vigilant with our standards please.
- Many thanks to all the parents for supporting the school and staff this year. It has been a very successful year for our school and we continue to be grateful for your support.
- **Secondary Uniform** - With the long heat wave coming to an end over the weekend, we will move back to full school uniform on Monday for the last week of the academic year. This will set us up nicely for starting strong with our uniform expectations in September and also give those Y10 students who have earned their Y11 tie to wear it around school with pride. Thanks for your continued support of our uniform here at Armfield Academy.
- **End of term arrangements** - A letter will follow at the beginning of next week to give more details on both the end of term and start of 26-27 arrangements at school. We have had a fantastic year and we could not have done it without your parental support and of course our brilliant students. Wishing you all a lovely summer break when it arrives.

The Memorial Hall was alive with the sound of music last week as our talented students brought the high-energy world of *Fame JR.* to life! Set in the iconic New York City High School of Performing Arts, *Fame JR.* follows a group of ambitious young stars navigating the highs and lows of romance, hard work, and the quest for stardom.

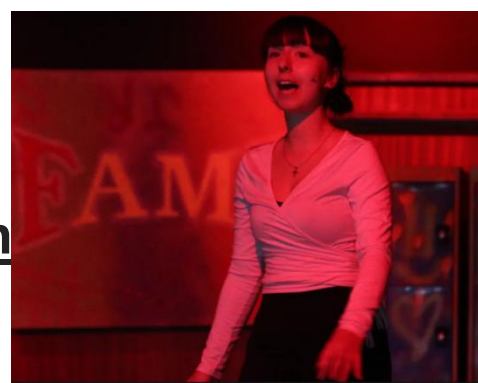

The Memorial Hall was transformed into this vibrant setting on Thursday 9th and Friday 10th July, as our students delivered two spectacular 7pm performances. Since March, the dedicated cast and crew have been rehearsing twice a week, pouring their hearts and energy into every scene. Their immense hard work certainly paid off, as audiences were treated to an incredibly energetic, vibrant, and colourful performance that left everyone buzzing with excitement.

This production was a magnificent team effort, and it was wonderful to see students from all year groups—spanning from Year 7 right through to Year 11—working together so collaboratively. The show featured spectacular musical numbers and stunning solo vocal performances that truly stole the show. A huge congratulations go to our incredible lead vocalists: Daisy Atkinson playing Mabel Washington, Andrew Brown playing Nick Piazza, Erin Maney playing Serena Katz, Gabriela Gherghe playing Carmen Diaz, Taylor Grundy playing Schlomo Metzenbaum, Livia Debowska playing Ms Greta Bell, and Ellie Tribbeck playing Miss Esther Sherman.

We are super proud of every single student who took part. Your talent, commitment, and enthusiasm represent the very best of our school community. A special thank you also goes to the staff, parents, and volunteers who worked tirelessly behind the scenes to support the rehearsals, costumes, and set design, as well as everyone who came out to support our young stars!

Going for Gold:

Armfield's Olympic Sports Day 2026!

On Tuesday, the Armfield Academy community came together for an absolutely spectacular Olympic-themed Sports Day!

Our school was transformed into a global arena, with each form proudly representing a different country from across the world. The atmosphere was electric, filled with vibrant singing, dancing, hand-painted flags, and plenty of colourful face paint.

A Morning of Teamwork and 100% Participation

In the morning, every single student actively involved in a competitive event. Whether they were serving on the volleyball court, rallying in table tennis, or scoring rounders and softball runs, our pupils gave it their absolute all.

By lunchtime, the competition was fierce—and the leader board was incredibly close, setting the stage for an action-packed afternoon on the track.

Afternoon Athletics & Record-Breaking Runs!

The excitement reached a whole new level in the afternoon as we moved to the track for the 100m, 200m, and the highly anticipated form relays. The crowd was roaring, and we witnessed some truly historic athletic achievements:

Alex (Year 8): Broke the school record for the year 8 boys 200m by an astonishing **5 seconds!**

Victor (Year 10): Smashed the year 10 boys' 200m record with an incredible performance!

Beyond the record books, the afternoon was defined by the brilliant, supportive culture we have here at Armfield. Seeing students cheer each other on, celebrate their peers' successes, and lift each other up was the true highlight of the day.

Armfield's Olympic Sports Day 2026!

Congratulations to Our Champions!

A huge congratulations to everyone who took part in a glorious day of sunshine and sportsmanship. We are so proud of how our pupils fully immersed themselves in the spirit of the day.

A special shout-out goes to our overall **winning forms:**
