Dear Parent/Carers

Reception Induction

We are writing to inform you of our revised induction programme for you and your child.

Due to the current Government guidelines and restrictions we will now be offering a virtual 'Parent Welcome Meeting' where your child's class teacher, other members of the Early Years Team and school will introduce themselves. They will inform you of what to expect when your child starts school in September 2021. The school's welcome and introductions will be via a pre-recorded video a link to this will be sent out to all parents/carers on Friday 25th June 2021.

Your welcome packs will be available to collect from the Primary school office on Friday 25th June 2021. In this pack will be all the necessary paperwork to be completed, returned and other important information for you to read. Please collect your pack after 9:30am and before 2:30pm to avoid our busy start and finish times.

In addition to this we will be offering a virtual meeting via Zoom between 11:00 - 18:30. You are being invited to book a time slot for your meeting either on;

Unfortunately, we will not be able to facilitate any visits to school under the current circumstances at present; therefore our intended stay and play session will not be able to go ahead. If Covid restrictions change and our school and Trust's risk assessments allow then we are hoping that we will be able to arrange an outdoor visit for you and your child to attend before the summer break.
