When looking at 11-20 use a 10 frame to help you. Look at the numbers as 10 plus 2  
More makes 12. Children will begin to recognise that the 1 is a 10.

Watch number blocks

### Personal, Social and Emotional & Communication and Language

Share half term news with each other by showing good listening, speaking and turn taking.

Look at any portfolios posted. Allow the children to talk about what is happening and to answer questions posed by the children

Talk about your own experiences of visiting the beach/seaside. Where did you go? Who did you go with?

### Art and Design

Design your own bucket by creating a pattern on it.

Set up a beach shop outside. Share ideas about what you will need? Provide children with a range of items to sell and include money and a till.

Make a sign for the shop.
