Physical Development

Re-visit putting a coat on and fastening zip independently.
Children practice changing from school shoes into trainers and placing them neatly under their peg.
Practice getting dressed independently every morning.

Outside

Weather Permitting

Take your small world figures outside and create an outdoor den. You could use two garden chairs and a piece of material or an old box!

What will you take into your den?

Look out for the Maths outdoor activities on your portfolio.

What happens if you are not able to come to school?

Do not worry. We will add daily activities to your child's Dojo portfolio and we will contact you to see how you all are.

Post your daily activity every day so we can see what you have been doing.
