Reception Classes Weekly Remote Learning Grid - 21.06.21 Half termly theme - At the Seaside - Core Text Billy's Bucket

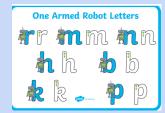

English/Phonics

Retell the trip to Nottrianas or a favourite trip you have been on. Use the language of fist, next, after, that, finally.

Draw a story map of your journey and label it.

Handwriting - One Armed Robot Letters

When practising your letter formation make sure you start at the top and go down. It is important for the children to start at the correct place. Watch the video by clicking on the link below.

https://www.theschoolrun.com/video-letter-formation-one-armed-robot-letter-family

Phonics- Phase 3

Reading and writing phase 3 captions. Ask your child to write the following captions. Before you start writing, say the caption, talk about how many words there are and write the words one at a time.

Mark and Carla got wet in the rain.

Jill has fair hair but Jack has dark hair. I can hear an owl hoot at night.

Maths

https://whiterosemaths.com/homelearning/early-years/to-20-beyond-week-3/

Explore the different arrangements and shapes that you can build using a tangram. First, you will need to cut out your tangram shapes from an A4 piece of paper. Fold the paper to create a square and cut off the excess paper. Now cut out your shapes from this square.

Personal, Social and Emotional & Communication and Language

Look at any portfolios posted. Allow the children to talk about what is happening and to answer questions posed by the children.

Discuss what are your favourite things about summer.

Take a photograph and compare it to the Autumn Term. What has changed? What have you learnt?

Talk about your walk to Notriannis. What did you see?

Art and Design

Outside using large pieces of paper and any old paintbrushes, roller or sponges you might have around, encourage children to make large clockwise and anticlockwise movements to create some summer-themed big art.

What colours make you think of summer? Create a Goldsworth masterpiece using a range of natural items. Place your design In a frame and take a photograph with the iPad

Physical Development

Make some pink, white and brown playdough, along with cardboard cones for making playdough ice creams with! You could also have beads or glitter for the toppings.

Draw the outline of a starfish. Can you fill it with lentils?

Outside

Experiment with adding water to sand - how does it change?

In a large container or tray experiment with the texture of shaving foam. Pretend it is ice cream - Add sprinkles and cones to fill. What happens if you are not able to come to school?

Do not worry. We will add daily activities to your child's Dojo portfolio and we will contact you to see how you all are.

Post your daily activities every day so we can see what you have been doing and share them with your friends at school.
