World Book Day - Reading Star Challenge

In celebration of World Book Day (Thursday) we would like you to have a go at the Reading Stars Challenge which will be posted on the Class Story.

When you complete a 'Star' we would like you to post a picture/video on your Portfolio. If you complete all the challenges you will receive a certificate and a prize when we return to school.

E-Safety

Watch this [video](#) with your child and discuss.

Watch Mrs Latcham read 'Chicken Clicking'. Talk to your grown up about how Chicken can keep safe online. Now have a go at the e-safety quiz: <https://www.safekids.com/quiz/>

Mindfulness

Today we would like you to practise being Mindful. We would like you to think about what things make you feel happy and what to do when we feel sad or anxious. Have a go at these activities which you can use when you need to relax if you are feeling sad or anxious.

1. Put some calming music on and have a go at the mindfulness colouring sheet on Dojo.
2. Lie on the floor and put a teddy on your tummy. Take note of the movement up and down as you breathe.
3. Draw a picture of what you are excited to do when all of the restrictions are lifted.

Parents/Carers: Today, please could you talk to your children about any questions that they may have about coming back to school. Please send them to us via Class Dojo and we will answer them the best that we can

World Maths Day

Challenge 1:

We would like you to set up a shop and ask your grown up to label your items using numbers up to 50. You can then buy the items by reading the numbers.

Super Spicy Challenge:

Ask your grown up to write the prices using sticks and cubes to show the tens and ones?

Challenge 2:

We would like you to measure the length or height of different objects around the house. Use a ruler to measure to the nearest centimetre.

Super Spicy Challenge:

Can you find an object that is exactly 10 cm tall?

Can you find an object that is 25cm in length?

Can you find anything that is longer than 50 cm?

Remember to post your pictures on your Portfolio

Making Memories

Today we would like you to reflect and create some 'memories' from your time in lockdown for a wonderful display in our classrooms. We would like you to draw some pictures of the best things about lockdown and anything new you have learnt to do. Could you write a sentence to tell us what you enjoyed doing during lockdown?

We would like you to send a picture on your portfolio. You might also want to send a picture of something you have created at home. We will also be using some of the pictures you have already sent on Dojo for our display.
