W/C 14th June 2021

Monday

English: Listen to our story 'Lost and Found' up to "That night, the boy couldn't sleep for disappointment." <https://www.youtube.com/watch?v=kZD1RDY4Q9w> Discuss with your grown up what you think the word 'disappointment' means and write a sentence to explain what it means. Can you think of any other words that mean the same as the word *disappointment*?

Maths: Today we are learning to add by counting on. Start by watching the video: <https://whiterosemaths.com/homelearning/year-1/spring-week-2-number-addition-and-subtraction-within-20/> Now have a go at solving the addition sentences using the number line.

Topic: Today we are learning to name the different parts of an animal. Start by watching the video: <https://www.youtube.com/watch?v=JChAJITc9SQ> Now choose an animal to draw and label the body parts on using A4 Top Trumps template. Now write a sentence in books to say how the animal is suited to its environment.

Tuesday

English: Listen to the next part of the story up to where the boy wants to take the Penguin home to the South Pole.

<https://www.youtube.com/watch?v=kZD1RDY4Q9w> Have a look and see if you can find out where the South Pole is using a globe, atlas or the Internet. Make a mind map of all the different ways the boy and penguin could travel to the South Pole and then choose one idea and write a sentence to explain why.

Maths: Today we are going to find and make number bonds. Start by watching the video: <https://vimeo.com/490882337> Now find 20 objects to use as counters, for example, pasta. Use your counters to make number bonds to 20 - write these as addition sentences.

Topic: Today we are learning about living and non-living things. Start by watching the video: <https://www.bbc.co.uk/bitesize/clips/zg7s39q>

Draw a picture of a living thing, a non-living thing Ext: something which was once alive.

Write a sentence to say what something does when it is alive: *All living things can...*

Wednesday

English: Listen up to where the boy chose a rowing boat and think about:

Why did they decide to row themselves to the South Pole?

Why did they test the boat for size and strength?

<https://www.youtube.com/watch?v=kZD1RDY4Q9w>

Write a sentence to answer the questions above.

Maths: Today we are learning to subtract (not crossing 10). Start by watching the video:

<https://vimeo.com/492197096> Now try solving the subtraction equations by counting back on a number line.

Topic: Today we are learning to name a range of domestic pets. First write a list of all the pets you can think of. Now choose 1 pet and make a poster with a labelled picture of your pet and instructions on how to look after it. Use the Internet and your grown up to help you.

Thursday

English: Today we would like you to think about 3 things the boy and penguin might pack for their journey? Now write a sentence for each item and explain why they might pack them.

Maths: Today we are moving on to subtraction (crossing 10). Start by watching the video: <https://vimeo.com/492198226> Now try solving the subtraction equations by crossing out.

PSHE: Last term we started to look at money and its value. Today we are learning about things we need and things we want. Start by watching the video: <https://www.youtube.com/watch?v=6OAgNtueu0U> Now try sorting the pictures into things we need and things we want.

Friday

English: Listen again to the book so far - look out for words that have the suffix -ed.

<https://www.youtube.com/watch?v=kZD1RDY4Q9w> Now have a go at today's suffix activity.

Maths: Today we would like you to practise what you have learnt this week by playing Number Bonds on Hit the Button:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Music: Begin by listening to this song, 'Fur Elise':

<https://www.youtube.com/watch?v=q5oSa4itomE>

Draw a picture to show what this piece of music makes you think
