1.30-2.30	Can you find some size and shape containers that could be filled with water and put in the freezer? Things like egg cups, rubber gloves, ice cube trays, anything that will create interesting shapes would be great!	Take out your frozen containers from yesterday, what do you notice about the shapes? Which one melts the fastest? How could you melt it quicker?	Can you think about animals that live in cold places? Can you create a picture of your favourite wintery animal? You could use paint or collage materials, pens, anything you have to hand.	Watch the video and discuss what types of weather you can see. https://www.youtube.com/watch?v=X0Bv6hchrg0 Discuss what is your favourite type of weather and why.	Can you make some playdough and then roll it out flat and make some animal footprints in it? https://www.gluedtomycraftsblog.com/2014/01/snowman-playdough-kid-craft-recipe.html
