<p>1.00-1.30</p>	<p>Maths The beanstalk in the story was green. Can you find 10 green objects and line them up in height order, shortest to the tallest?</p> 	<p>Maths Can you get help measuring your family members? Use wool or string to measure everyone and then lay the cut pieces of string on the floor in height order, from shortest to tallest. Don't forget to upload your photo to Dojo.</p>	<p>Maths Can you paint your hands and make handprints? How many fingers and thumbs do you have altogether? Can you then number each digit?</p> 	<p>Maths Using paint, can you make 10, caterpillars using your fingerprints. Don't forget to use a different colour for their heads. Make sure each caterpillar has the correct number of body parts</p> 	<p>Maths Using 2D shapes, can you draw a selection of shape people?</p> 
<p>1.30-2.30</p>	<p>Using household objects to construct with, can you build a gigantic beanstalk? How high will you be able to make it?</p>	<p>Many vegetables are grown from seed. Can you create a painting using vegetables to print with?</p> 	<p>Using tubes and boxes and other recyclable materials, can you make a model of yourself? Remember, it must be the same height as you though.</p>	<p>Go on a walk in your garden or outdoors and look at the things that grow. Can you then draw or paint a long caterpillar?</p>	<p>To help us grow taller, we need to eat healthy foods. Ask a grown up to help you make a fruit salad.</p>
