Monday

English: In English today, we are learning to write a simple set of instructions. Last week you made a pirate sandwich. Today we would like you to write a list of the ingredients that you used.

Handwriting - today watch the video and practise the letter 'i'.

Maths: Today we will start looking at addition and subtraction. Please [click here](#) and select Lesson 1, then have a go at today's activity.

Tuesday

English: Today and tomorrow we would like to you to write your set of instructions for your Pirate sandwich. Use the word bank to help you and remember to number your instructions and use time words. Watch Miss Bradley modelling what to do.

Handwriting - today watch the video and practise the letter 't'.

Maths: Today we are going to be adding by using our number bonds. Start by watching [today's video](#) then have a go at finding number bonds to 20, how many can you find? (Examples, $12+8=20$ $15+5=20$) If this is too tricky please practise your number bonds to 10.

Wednesday

English: Today, we would like you to finish your set of instructions.

Handwriting - today watch the video and practise the letter 'p'.

Maths: Today we would like you to continue practicing your number bonds to 20. Play [Hit the Button](#) It is really important that the children are secure with their number bonds so if they are finding this tricky practise number bonds to 10 first.

Thursday

Guided Reading: Watch Miss Brimelow read Captain Flinn and the Pirate Dinosaurs. Now write a prediction, what will happen next?

Handwriting - today watch the video and practise the letter 'u'.

Maths: Now we are going to use what we have learnt to start adding by making 10. This is tricky so we will be practising this today and tomorrow. Watch the lesson 5 [video](#) then have a go at today's activity.

Friday

Guided Reading: Watch Miss Brimelow finish the story. Can you design your own Pirate Dinosaur? Draw a picture and write 3 sentences to describe your pirate dinosaur.

Handwriting - today watch the video and practise the letter 'w'.

Maths: Today we would like you to continue adding by making ten. Start by watching the lesson 6 [video](#) then have a go at today's activity. If this activity is too tricky have a go at solving these addition equations by counting on: $5+8=$ $7+9=$ $3+8=$
