

YEAR 4
OWL CLASS
with Miss Greenall

YEAR 4
FALCON CLASS
with Mr. Rosebury

Welcome to **YEAR 4**

**Armfield
Academy**

Extended Opportunities:

Children in Year 4 go **swimming** once a week at Palatine Leisure Centre on a Thursday, 10am-11.30am. They will need their swimming kit in school on these days.

All children receive weekly **ukulele** tuition from the Blackpool Music service, throughout the year..

The children are taught by **French** specialist teachers from the high school, for their weekly French lesson.

This year, Year 4 children are working on a **resilience project**, through drama, with Blackpool Grand Theatre

Classroom routines

Reading

Children will have a book to read at home every day. They can bring it back as soon as they have read it, in order to quiz on it and receive a new one.

Homework

Children will receive a small amount of maths and English homework on a Friday and it should be returned before the Wednesday of the following week. They will also receive spellings each week.

PE Kit

Children will need to be in their full PE Kit on a Tuesday and Thursday for PE lessons or swimming. During the rest of the week they may complete the Daily Mile activities in their normal uniform.

June 2023

Year 4 Multiplication Check

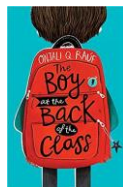

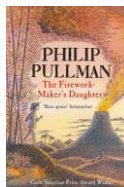

In Year 4 children undertake a National Multiplication Check, to ensure that they know their times tables up to 12s, which is the expectation by the end of Year 4. They are given 25 questions and 6 seconds to answer each one. They should be getting as close to 25 as possible.

In order to help children learn their tables, we recommend using the following websites:

- Times Table Rockstars
- Hit the Button

Year 4 Reading Spine

Supporting your child at home:

To best support your child at home, we would really appreciate a focus on regular reading of their reading book, work on any weekly spellings and any assistance with weekly homework that comes home each week.

If you would like to look at curriculum areas further with your child, please see below some useful websites where you can easily search for the topics that the children are currently studying:
