

AVJS Bulletin: 16th July 2021

We are creeping ever closer to the end of term and as from Monday, the Covid 19 measures that the government have implemented are to be relaxed. We are still seeing cases that are affecting school with people having to isolate. It is imperative that we still take those steps to protect ourselves and others. As I said in last week's bulletin, we are still going to be operating our bubble system in school and all of the other measures as listed in our risk assessment. This means that we will still have staggered start and end times to the school day and ask that you wear a face covering when you come onto the school premises. We would hate for there to be any more break outs that could affect the start of your summer holidays. Please remember that if anyone in your household has any of the symptoms (new, continuous cough, high temperature or loss of sense of taste or smell), then the whole household needs to self-isolate. We thank you for your co-operation. **There is more important information relating to this and the changes from Monday, 19th July in the attached documents.**

Our hope is that at the start of the autumn term, we will be able to revert back to some of the old systems we used to have such as one start time and one finish time! If this is the case, there will be one slight change to the start of the day. The bell will be rung at 8.50 and children will then be asked to line up in their classes on the playground. Their class teacher will then come and escort them into the building. We are waiting to see how the landscape lies over the start of the summer holidays before we publish our plans for September. Once we have a clearer picture, we will be emailing you towards the end of August to let you know. We would rather do this than tell you our plans now that could end up changing and causing you inconvenience.

This afternoon we will be putting the lost property out on the wall at the rear of the school. Please have a look through and see if you can claim anything. From Monday, we will then be putting out a rail with clean, good quality school uniform and an honesty box. If you would like any of the clothing, please leave a donation in the box (we are hoping for at least £1 per item) and please leave the hanger behind, thank you!

Thank you to those of you who have either sent in items for the summer raffle or who have bought raffle tickets; however, we do need more donations please! As a reminder, we are asking for items in the colour of the classes (yellow, orange, green, red, purple, blue, grey and white) to make up our hampers. Tickets are available to purchase on ParentPay and you can buy as many as you like. We will be drawing the raffle towards the end of term. You can send in your donations with your child to be given to the class teacher, thank you.

Our year 6 children are going to Dukes Barn on Thursday and Friday of next week and the year 4 children on Monday, 26th and Tuesday 27th July. It is imperative that your child is at school for 7.55am so that we are ready to leave on time.
