

AVJS Bulletin: 19th March 2021

As you can probably imagine, there has been a lovely atmosphere in school today.

Firstly, because it is Red Nose day and the children have been sharing their jokes and secondly, because 3 Orange are back and we finally have a full school! It is so great having the whole school back and we are all keeping our fingers crossed that it stays this way.

I would like to ask that if you do have to come to school at any time, that you wear a face covering. We do have a limited number of disposable masks so if you have forgotten yours, we are able to supply you with one.

There has been a little confusion over making a contribution to Comic Relief via Parent Pay. You will not see it set up as a payment item if you go through your account, but if you follow the link below, it takes you to a ParentPay page where you can make your donation, thank you.

If you were loaned an electronic device
from school during the lockdown to
support your child with their remote
learning, please return it to school as soon
as you can, thank you.

We have noticed that a few children are wearing jewellery in school. If your child has pierced ears, then small studs are permitted (but will need to be removed or covered for PE lessons) and we allow the wearing of watches. Other items of jewellery should not be worn primarily for

safety reasons but also we do not want the risk of them getting lost.

Online Safety: Watching Videos

Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. [YouTube Kids](#) is a safer way for children to explore their interests. You can find more information about this on *YouTube: what parents need to know*.

Remember, primary-age children should be supervised at all times when online.

The winning Arno Vale Red Nose Day joke is:

What did the farmer say when he lost his tractor?

I can't find my tractor!

Well done to Edward in 6 Grey
