

AVJS Bulletin: 28th May 2021

This is the last bulletin of this half term and I am sure the children are ready for a break.

We hope that you all have a good week and the weather stays good! **Don't forget that Monday, 7th June is an INSET day so we will see you on Tuesday, 8th June.**

If you have a child who is in years 3 to 5, you will have received a letter regarding classes for next year. We ask that you sit down and discuss which four friends your child would like to be with next year; as it states, we can only guarantee one friend from the list and our staff take a lot of time and give a great deal of consideration when deciding classes for the following year. Please return your completed form on Tuesday, 8th June so that we can begin the process, thank you.

Verity in year 4 has decided that she would like to raise money for a really worthwhile organisation, The Brain Tumour Charity. Verity plans to walk 24 miles / 38 km over 7 days (5 km a day) which is the equivalent to the distance from her house to her Grandma's house. If you would like to sponsor her, Verity's family have set up a JustGiving page where you can make your donation which you can find by clicking the link below:

<https://www.justgiving.com/fundraising/catherine-russell13>

We wish Verity the very best of luck and hope that she achieves her goal.

With Father's Day just around the corner, (Sunday, 20th June) the Friends Of Arno Vale have arranged a consignment of Arno Vale branded chocolate bars with the message "Relax, Enjoy". These 60g bars are available to purchase through ParentPay and cost

£2.30 each. In addition to the chocolate, Friends of Arno Vale are also selling eco-friendly pots of mints printed with the Arno Vale logo. The pots are 30g and made of plant based materials rather than plastic. They are also available to buy through ParentPay at £1.50. These will make a great gift for dads or any deserving person and will also raise some money for the FOAV.

If your child is to be collected by another parent / carer at the end of the day, please let the school know as soon as you can, this is for safeguarding reasons. We know that now some restrictions have been lifted, children are going back to their friends' homes for tea but we need to know in order to keep them safe.

If you have a child in either year 4 or year 6, it won't be long before they will be going to Dukes Barn. Please remember to make your payments on ParentPay. If there are any issues, please do not hesitate to contact us.

Please remember that for track and trace purposes, we still need to know if your child shows signs of or is diagnosed with Covid 19. If this is the case during the half term break, please email me at head@arnovale.notts.sch.uk.

In last week's bulletin I told you that we are re-installing our recycling station in the school entrance. I also said we would be collecting biscuit packaging again but this is incorrect, we will just be collecting empty bread loaf wrappers and empty crisp packets. Please start saving these and send them in after half term.

AVJS Bulletin: 28th May 2021

**Could your child benefit
from being stronger, faster
and quicker?**

- Fitness Testing
- Olympic Freestyle Wrestling
- Sprint Training
- Movement Skills
