

AVJS Bulletin: 3rd September 2021

Hello and welcome to the first bulletin of the academic year, I trust you have all had an enjoyable summer. The children seem to be settling well into their new classes and it has been lovely chatting to them.

Many of you will know that one of our communication methods with you has been via ClassDojo. This is a really good way for our staff and you to have direct contact. If you are a new parent, please be aware that you do not need to pay for this service. If you have any issues in setting up your account, please speak to your class teacher.

Year 3 parents

You will shortly be receiving your ParentPay activation letter to set up your ParentPay account. It is important that you set up an account as communications are sent out via ParentPay and you will be able to book and pay for school meals and Club Vale sessions.

If you are paying for school meals, you will need to book and pay by Sunday for the following week. School meals have to be taken for a full week.

If you would like a place for your child in Club Vale, please send an email to office@arnovale.notts.sch.uk, we will then send you the paperwork to complete. If you would like any Club Vale sessions for week commencing 6th September, please contact the school office (if you have not already done so).

If you are paying by voucher for Club Vale you will need to complete a paper booking form, if you are paying by ParentPay you

will need to book and pay on ParentPay by Thursday evening for the following week.

If you need any help with ParentPay or have any questions, please do not hesitate to contact the school office and we will be happy to help.

We are pleased to let you know that we will be hosting a Clay Creators Club at Arno Vale from Friday, 10th September. Places are limited and all the information is contained in the attached letter.

I would like to ask you that when you have brought your child onto the playground in the morning that you do not wait by the path leading to the Year 6 entrance at the rear of the school as this blocks access to the building for the children when the bell has been rung, thank you.

Although it feels like many things have returned to normal, Covid 19 is still a serious issue for us all. We ask that if your child develops any of the symptoms, that you keep them off school and arrange for a PCR test. Lateral Flow tests are widely available now and the updated guidance can be found at the link below:
