

AVJS Bulletin: 14th July 2023

So, we had one of the warmest Junes on record and then July came.....it is unfortunate that we have had to postpone the summer fair but we are unable to use the hall at the moment as it is being prepared for our production of Peter Pan and is limited for space. We are now hoping for better luck with the weather on Monday, 24th July. It would be great if you will be able to support us then. The fair will start after school – weather permitting it will be outside otherwise we will be able to use the hall at that point. I would like to thank Bekki and our FOAV team for the quick re-organisation process they have gone through from cancelling suppliers to re-organising helpers, all at very short notice.

We were all treated to a drum concert in school on Thursday morning. DCP drumming come in once per week and deliver drumming lessons to some of the children. This was a chance for the children to showcase their talents and they were brilliant – everyone really enjoyed it. If you think your child would like drumming lessons in the autumn term, please contact the school office. This is a paid for service.

On Thursday next week, you will be receiving your child's report. As with previous years, this will be emailed to the primary contact in our system. If you have recently changed your

email address and think you may not have informed us or you want it to go to a secondary contact as well, you can do so by emailing office@arnovale.notts.sch.uk, thank you.

Our children in year 5 have spent the day at Arnold Hill Academy today for a STEM day. This is an exciting and informative day based on Science, Technology, Engineering and Mathematics. The children took part in various workshops and have had a fantastic day.

As you will know, Mrs Richards, Mrs Ainley and Mrs Flint are all leaving us at the end of the term. We are really pleased to let you know that this week, we appointed Mrs Burton as the new office manager starting in September. Mrs Burton has worked for us for a number of years and knows the office function really well. She will be supported by Mrs Hilton Brown and Miss Crowder and we wish to congratulate her on her new role. We also appointed a new Teaching Assistant to join our skilled team from September. Miss Terrill has worked with us briefly in the past and will now form a permanent part of our team and we are looking forward to working with her.

Community News

Mr Ward and Mr Lindley would like you to know that their multi sports camp is full on Thursday, 27th July, Tuesday 1st August and Tuesday, 8th August. There is still some availability on the other days.
