The pladis Biscuits and Snacks Recycling Programme	0	0

This figure is not the full picture as we will be sending off a shipment of bread bags, crisp packaging and our first biscuit/ cake packaging during the last week of school. We will, of course, keep you updated with how much money we raise through your fantastic efforts. You may have noticed the wonderful raised beds at the back of the school grounds which will be our kitchen garden. The Eco-rangers have planted brussel sprouts in them

to be harvested in December, in time for our Christmas dinner.

It was great to see so many of you at the combined summer fair last Friday. It was a lovely event and very well attended. We say goodbye to Lorraine Jeffery, Sophie Ward and Kim Wyatt who have worked incredibly hard for the PTA / FOAV for many years and have been the driving force behind the events we have held. Thank you to all of you. If you would like to join the FOAV, please pop into school and let us know. We will be having a meeting in the autumn term which you are more than welcome to attend.

Please find attached the Governors' end of year financial statement for the school. This is the amount of money that we have carried over from last year's budget into this year's. To put it into perspective, the total amount of £52,531.32 is approximately 5% of our total budget.

We hope you have a fantastic summer and look forward to seeing you in September.
