We are incredibly proud of the attainment of the children in year 6. They have worked incredibly hard this year and have gained our best SATs results to date!

% of Children Achieving At Least The Expected Standard		
	Arno Vale 2019	National 2019
Maths	87%	79%
Reading	88%	73%
Writing	87%	78%
GPS	80%	78%
Combined	77%	65%

As you will see, the children have surpassed the national average in all subjects and the combined score as well. The combined score shows the percentage of children who achieved the expected standard in maths, reading and writing.

We have a mountain of lost property waiting to find its owners! We are going to put it out along the outside wall behind the school hall on Wednesday morning and then in the afternoon. Please come and have a look through and claim anything that is yours.
