

AVJS Bulletin: 23rd September 2022

We are now half way through this half term and you should have received a link in your email in order to book your parents' evening slot. If you haven't or you are having problems making an appointment, please do not hesitate in contacting the office who will be able to help you.

We really hope that you can make it into school next Wednesday afternoon for the harvest festival assembly. We will be starting at 2.45pm and it should last for about half an hour. We are still looking for donations of dried or tinned grocery products for the Arnold Food Bank, so if you have anything, please send it in – thank you.

On Friday 30th September, we are hosting the MacMillan Coffee Morning in the school hall. Thank you to those who have pledged cakes and raffle prizes but we could do with some more please! We would also love to see you here – we will be serving from 9.30am until 11.00am and you can make a donation direct to MacMillan by following the link below:

<https://thyg.uk/BUS007117739>

Friday, 30th September will be a normal uniform day, but if you would like your child to wear an item of green clothing, for example a T shirt and make a £1 donation towards MacMillan Cancer Support, that will be great, but don't worry if not.

The School Aged Immunisation Service will be at Arno Vale on 10th November. In order for your child to receive the vaccine, you need to complete the online consent form for each child. Please have a read of the attached document which explains what you have to do and has a link to the form.

Well done to Freya, Lexi, Jensen, Emmett and Arron who participated in a boccia tournament at Carlton Forum this afternoon. They played with four other schools and Miss Fallon, Mr

Hicking and Mrs Francis were very proud of how they behaved and their sportsmanship.

If you think that your child may be entitled to free school meals, you can find more information, register and apply for them at the Nottinghamshire County Council website by following the link below.

<https://www.nottinghamshire.gov.uk/education/school-meals/free-school-meals-and-milk>

These are different to the universal free school meals that all children are entitled to at infant school and there is some qualifying criteria.

The Nottinghamshire SEND Local Offer is a website that brings together support services to help young people with special educational needs and disabilities across the county. If you have a child with such needs and are looking for additional support and the services that are there to help you, you can find out more by following the link below:

<https://www.nottshelpyourself.org.uk/kb5/nottinghamshire/directory/home.page>
