

AVJS Bulletin: November 26th 2018

Dear all and welcome to our first Bulletin. The idea of this document is to give you a brief overview of what is happening at school and to (hopefully) improve our communication with you. We will be producing this on a fortnightly basis. The aim is to be succinct and informative and we will continue to use the website to showcase the achievements of the children, and we will still be sending out specific information relating to key events as letters via ParentPay.

Other News

Thanks to everyone for their donations for Children in Need. We are still counting your contributions and will let you know the total soon.

Come and see the memorial display the children have created to commemorate the end of World War 1. It is in the playground near the exit to Woodthorpe Infants School.

Other Community Events:

St Marks Church are holding their Experience Christmas event on Saturday, 8th December. This is a free event aimed at families where people will come into the church and journey through the Christmas Nativity story by way of interactive stations and activities.
