

AVJS Bulletin: 7th July 2023

There is only one week to go until our Summer Fair! The FOAV have been working really hard to make the event as exciting and enjoyable as they can. There will be a variety of stalls and activities for the children to take part in and we are keeping our fingers crossed for good weather. We really hope that you can make it and look forward to seeing you there on Friday, 14th July, please see the attached poster for more information.

The children thoroughly enjoyed the production of 'The Railway Children' this week. Many thanks to the FOAV who funded this for us. It was such a success that we have booked the theatre company again for next summer when they will be performing 'The Hobbit'.

The children in year 4 have been completing their D&T projects this week by designing and building moving vehicles. The year 4 staff have become experts with a glue gun and the finished articles the children have produced are very professional!

We have also had some impressive D&T work going on in year 3. The children have been making pouches for microbits (an electronic device that the children can program). They

used all sorts of skills to make sure their pouches were not only protective but looked good too! Your child can practise their microbit programming by following the link below:

<https://makecode.microbit.org/>

Community News

Mr Ward and Mr Lindley have asked us to let you know that their summer sports camp is fully booked on Tuesday, 27th July and Tuesday, 1st August. They still have availability on other days and if you would like to book a place, you can access the booking form by clicking on the link below:
